RE: Administrative Report

Date: November 4, 2026

- 2027-2028 Instructional Programming, Course Proposals, Adjustments, and Implementations: For the 2027-2028 school year, information regarding United Township High School District 30 curricular programming will be shared with the Board of Education. Following the fall Curriculum Committee meetings, we will be seeking Board of Education approval of the recommendations of the committee. Course proposals/adjustments for consideration are as follows:
    - ACC Introduction to Companion Animals/Vet Assisting
    - ESL Programming Course Names

- 2025-2026 Commendable School Summative Designation/UTHS School Report Card: With the release of the 2026 Illinois Report Card, the Illinois State Board of Education has replaced its prior relative-ranking model with a criterion-based accountability system. Schools now receive one of five summative designations (Exemplary, Approaching Exemplary, Commendable, Developing, or Comprehensive) based on performance against fixed targets in academic proficiency, academic growth, and, for high schools, graduation rate. We will highlight our summative designation and parts of the school report card with the Board of Education. You can access the UTHS School Report card electronically at UTHS School Report Card.

- Parent-Teacher Conferences: An update will be provided regarding Parent-Teacher Conferences attendance.

- College Fair: On October 22, UTHS hosted its second College Fair. We will provide additional information regarding colleges and classes attended.

- Veterans Day Assembly: UTHS will host a Veterans Day assembly on Wednesday, November 11, beginning at 9:15 am. Additional details will be shared on Monday evening.
