WHAT WE ARE LEARNING

Count Day
We had 100 % attendance and had some fun activities! We love school!

Pumpkin Patch
Our students and staff traveled to the Sweet Pickins Pumpkin Patch. It is a great place to see all the signs of fall. The many activities our students participate in keeps them busy all the time we are there!

Family Engagement
We made Frankenstein Faces out of Shapes then recorded the data for total number of shapes used.

Lights on After Dark
Lots of Pumpkin fun! Mrs. Powell did a scavenger hunt, Mrs. Wagner read a book, we painted and planted pumpkins. We had treats and tons of fun!

Emergency Drills
To date we have completed 4 Emergency drills: Fire, Earthquake, Evacuation, Bus Evacuation, and Bus Emergency Exit. Savannah keeps us up to date with all our drills and emergency procedures - thank you for keeping us safe.
