Community Garage Sale Fundraiser:

Doubled the number of shoppers = 195 families

We had 114 households donate to the sale

21 NHS students worked the sale

Raised over $2,010 for scholarships

** up from $960 in 2025

Donated to St Andrews, Coco's Clothing, Solid Ground, Free Little Libraries, & New Day Thrift Store and Passages (Zephyr wear)

Implemented a new Tiered Registration for Summer MAC

Purpose: We wanted to ensure families who truly need the care were the families who got in.

Tier 1: Current MAC families needing full-time
Tier 2: Current MAC families needing part-time
Tier 3: New MAC families needing full-time
Tier 4: New MAC families needing part-time

* we learned in a follow up survey to add a tier between 2 and 3 for previous families who only use summer care
** overall the feedback came back appreciative of the changes and hope it continues.
