PRESCHOOL PROGRAM THRIVING AT HES: 2026-2027 marks the first year that our 4-year-old preschool program has been housed at Homedale Elementary School. The move to HES was a big one for this program and a great deal of care and effort have been made to ensure the transition was a success. Under the direction of teacher Erin Erickson and aid Christina Graves, the program is doing well and we have loved having these amazing little ones in our building. We are excited for the future of this program!

HES FALL FESTIVAL UPCOMING: We are excited to host our annual Fall Festival on Saturday, November 7th from 6:00-8:00 p.m. We love these opportunities to connect with families, welcome them into our building and make connections that promote unity and commitment to one another in our efforts to help our students thrive! We are grateful for the many donations that were made and the baskets that were provided by local businesses, as well as teachers from each grade level at HES. We live in an amazing community!
