MEMORANDUM

FROM: CAMERON MUNSON, EMERGENCY MANAGEMENT COORDINATOR

SUBJECT: THE TEXAS EDUCATION AGENCY INTRUDER DETECTION AUDIT

DATE: 2026-10-28

The Texas Education Agency recently conducted Intruder Detection Audits at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual and helps identify how we can improve safety for students, such as ensuring exterior doors are closed and locked. We worked closely with our maintenance departments and campus administrators to ensure we retrain all our staff on securing doors for the protection of everyone at our campuses. Corrective actions for the reports, including training and related work orders, have been completed.

Specific details of the Intruder Detection Audits, including the plans and timelines on how these findings were addressed in executive session. Clear Creek ISD is committed to providing a safe and secure learning environment for our students and staff.

Thank you,

Cameron Munson
