MEMORANDUM

FROM: CAMERON MUNSON, EMERGENCY MANAGEMENT COORDINATOR

SUBJECT: THE TEXAS EDUCATION AGENCY DISTRICT VULNERABILITY ASSESSMENT

DATE: 2026-10-30

The Texas Education Agency recently conducted a District Vulnerability Assessment in CCISD. This audit examines the safety and security of district campuses as well as the overall safety posture of the district. This audit helps identify how we can improve safety for our students. We are working closely with district and campus administrators to ensure we are training all our staff and securing our schools for the protection of everyone at our campuses. A District Vulnerability Assessment is just one of the many actions we are taking to ensure our schools are safe. Specific details of the District Vulnerability Assessment, including the plans and timelines for correcting any findings, were discussed in executive session.

Clear Creek ISD is committed to providing a safe and secure learning environment for our students and staff.

Thank you,

Cameron Munson
