Topic: Administrative Report
Presenter(s): Karsten Anderson, Superintendent

Recommendation
The information is presented for discussion purposes. No board action is needed.

Background Information
Superintendent Anderson will present reports from building and district administrators:

| Topic | Issue / Talking Points |
|---|---|
| Constitutional Amendment | The Constitutional Amendment passed on Nov. 3, 2026. Passage will generate about $130,000 per year for the district. Budget reductions will be needed for 2027-28, so the additional money will lower reductions needed. |
| Soccer Parking Lot | The weather is slowing the replacement of the parking lot serving the soccer fields north of SFHS. Expected completion is November depending on weather conditions. |
| Finance and HR Software | The district will convert its finance and HR software to SMART beginning with FY 28 (2027-28 school year). |
| Stadium field, track, and dry wells | Options for addressing the dry wells at SFHS and aging track are being considered. Because several dry wells are located on the varsity field, repairing or replacing the field must also be considered.. The Facility Committee will review recommendations before a presentation to the board. |
| Immunization Data | The latest immunization update will be provided at the meeting. |
