Prosper ISD Board Action Item

Date: **November 16, 2026** **Division: Teaching and Learning**

Subject: Consideration and possible action regarding changes to Board Policy EIC Local

Executive Summary

The District is proposing updates to Board Policy EIC Local to reflect the inclusion of expanded learning options and to align language regarding courses calculated toward GPA. These revisions follow the GPA policy changes the Board approved at the end of the 2025-2026 school year. The primary goal of these updates is to ensure clarity for families and campus administration by clearly defining and communicating the three distinct GPA types: Class Rank GPA, Weighted GPA, and Unweighted GPA.

The administration recommends that the board approve the updates to EIC Local as presented.
