Hispanic	31% (216)
Black	30% (206)
White	24% (170)
Two or More	8% (56)
Asian	6% (41)
American Indian	1% (6)

Student Demographics

Relationships and connectedness transcend differences and allow us to learn from and impact others

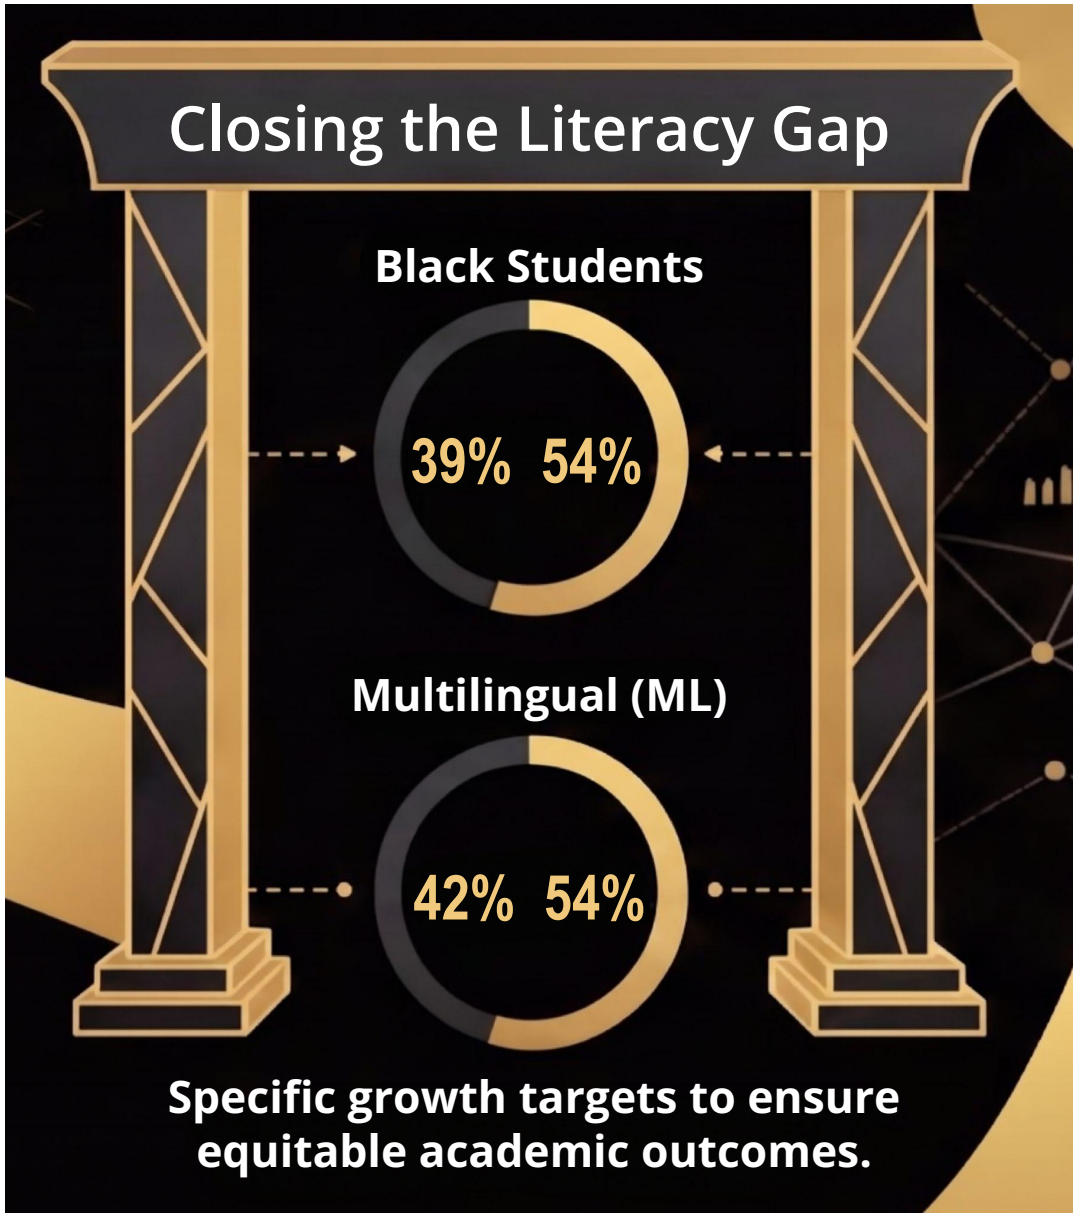

Priority Overview

High Quality Tier 1 Instruction
Rigorous, grade-level instruction and student-centered engagement in every classroom.

Schoolwide Data-Based Decision Making Routines
for reviewing disaggregated data to identify needs and evaluate support effectiveness.

Priority Overview-in action

ONE91 Burnsville · Eagan · Savage

S **Structure** the pacing of lesson to ensure time to REVIEW learning and assess understanding.

S **Strengthen** learner ENGAGEMENT by incorporating Writing, Inquiry, Collaboration, Organization and Reading into instruction.

E **EXPECTATIONS**, ROUTINES AND PROCEDURES are explicitly taught and reflected on with Loop Slides. FIRE is frequently reinforced.

C **CHUNK** Learning into "right size pieces" making information digestible. Provide frequent opportunities to CHEW on learning.

C **Clearly** articulate LEARNING TARGETS throughout the lesson (beginning, middle and end) and include on WAAG on Schoology.

U **Use** an AVID/CPSS strategy to engage learners within the first 5 minutes.

S **Stand** at door to positively GREET students and celebrate SUCCESS.

RIGOROUS ACADEMICS · EMBRACE HUMANITY · CARING COMMUNITY

EAGLE RIDGE Middle School

FIRE'ed up FOR SUCCESS

One91 Priority Overview- Learning Coach

Co Teaching

- The goal is to leverage both teachers with expertise in the classroom to strengthen instructional practices through:
  - collaborative partnership
  - clarify instructional roles
  - utilizing co-teaching models to improve the quality of the lesson
- Tailored professional development for co-teaching partnership
- Strengthen co-teaching partnership with multilingual and English language arts teachers as well as special education and math teachers through coaching cycles
  - Student-centered coaching cycles for 4-6 weeks

Teacher Testimonies

Hannah Alcordo
7th grade Special Education Teacher

Ali Drutowski
7th grade Math Teacher

One91 Priority Overview- Learning Coach

Social Studies

- Support teachers in developing and implementing a guaranteed and viable curriculum
- Establish shared expectations for student learning and instructional practices across classrooms.
- Help teachers balance professional autonomy with the consistent use of the new National Geographic curriculum to support high-quality instruction.

AVID Emerge

- Support language learners.
- Develop specific skills and strategies that benefit all learners.
- Targeted coaching for 6th grade team

Formative Data & Forward Look

What I Need (WIN) Groups
Data is used in collaborative teams to determine instructional groups

Attendance
Data is used to identify students below 90% attendance and assign a student support team member

Student Grades
Four Learner's Charts are used to analyze, reflect, and act on trends or patterns

Leadership soul is built on three pillars: love, care, and vulnerability.

- Carlos Moreno
