Memorandum

From: Dr. Douglas J. Wildes, Assistant Superintendent for Finance & Operations / CSBO

RE: Motion to Approve the 2025-2026 Shared Services Report

Background

In accordance with the Illinois School Code (ILCS 5/17-1.1), the annual Shared Services Report is a required report that is part of the Illinois State Board of Education Annual Financial Report (ISBE - AFR). The District files the Shared Services Report following the completion of the annual financial audit. This report requires the District to document any and all attempts to improve fiscal efficiency through shared services or outsourcing of services. The report must be presented and approved by the School Board and published on the school district website in addition to filing it with the audited annual financial report. Additionally, each regional superintendent is required to compile and publish a report summarizing the attempts to increase fiscal efficiency in their region.

Specific Considerations

The annual financial audit for the 2025-2026 school year (FY2026) was conducted by Lauterbach & Amen, LLP. The attached Shared Services Report was completed by Lauterback & Amen, LLP as part of that annual audit.

Recommendation to the Board

The administration recommends that the Board of Education accept the 2025-2026 Shared Services Report for the fiscal year ending June 30, 2026, as presented.
