JAMS MONTHLY BOARD REPORT

October

Academics

- Student-led parent-teacher conferences were a huge success! We had a fantastic turnout at JAMS, and it was wonderful to see students taking ownership of their learning and sharing their progress with their families.
- Honor Roll was posted, and students who demonstrated academic achievement were celebrated and recognized for their hard work and dedication.
- On November 18, we will administer our first IAR practice assessment to begin preparing students for the upcoming state assessments. This will give students an opportunity to become familiar with the testing format, help us identify areas of need, and allow teachers to use the results to guide instruction and target additional support.

Athletics/Clubs

- Nukumori Friendsgiving: The House of Nukumori will be hosting its annual Friendsgiving celebration, providing students with an opportunity to build connections, celebrate friendships, and strengthen house culture.
- BBQ Fundraiser – November 21: Mrs. Polete is planning a BBQ fundraiser to support our student activity fund and Girls Empowerment. This fundraiser will help provide additional opportunities, activities, and resources to support our students and enhance their experiences at JAMS.
- Media Club: Our Media Club is rocking the daily announcements! Students are taking the lead by creating video announcements to highlight the great things happening throughout JAMS. Additionally, our five houses participated in Trunk or Treat by hosting their own trunks and helping create a fun experience for our school community.
- October Students of the Month – Responsibility: We celebrated students across grades 3–8 who demonstrated responsibility through their actions, choices, and commitment to our school community. Congratulations to our October honorees!
