BRAZOSPORT INDEPENDENT SCHOOL DISTRICT
Regular Meeting of the Board of Trustees
November 16, 2026

BOARD:	Report
SUBJECT:	Board Committee Reports
BOARD POLICY:	N/A
DISTRICT GOAL:	Brazosport ISD will promote, communicate, and market the accomplishments, achievements, and successes of students and staff
FISCAL NOTE:	N/A

Background Information:

- Board members can serve on various district advisory committees as non-voting participants.

Administrative Considerations:

- BDB (Legal and Local) allows for Board members to be assigned to internal board committees, but policy does not define participation on district advisory committees. Therefore, to align with best practice and BDB policies, board members will briefly share information gained from the committee meetings with other board members.
- Board members will refrain from opinions related to operational matters as to adhere to the role of governance (BAA Legal and BBE Local/Legal).
- A trustee does not need to provide a report if they were not in attendance or if a report by administration was/will be provided.

Communication Deployment:

- Board Meeting Minutes
