Title: IASB Resolutions Directed Vote

Contacts: Don Angelaccio

During the annual IASB Delegate assembly held on November 21, 2026, as part of the IASB Annual Conference, each participating member District is invited to cast a representative vote in support of or opposition to proposed resolutions. These resolutions are submitted by individual school districts, asking for the support of IASB and fellow boards, to encourage legislation or rule creation/modification.

Becky McClaney was designated at our October Board Meeting to serve as our delegate. At this November meeting, the Board needs to approve a Directed Vote so that Becky may cast the votes that reflect the Board's perspective.

The detailed report from the IASB Resolutions Committee was included in the Board packet. Below are the recommendations for the directed vote:
