Re: Youth Voice Health and Wellbeing Grant

Dear David E Pace,

Congratulations! We have selected your application submitted in response to the Youth Voice Health and Wellbeing grant opportunity for funding contingent upon clarifications and negotiations that may be necessary before executing the award. The grant offer is $5,000.00.

Terri Swartout, School Health Coordinator, will be contacting you shortly to discuss the clarifications to your work plan, budget, or assurances. They can be reached at Terri.Swartout@state.mn.us or 651-582-8377.

Laura Dyer, Grants Specialist, will be assisting with preparation of the Official Grant Award Notification (OGAN), financial reporting, processing of payments requests, and dissemination of the award document. Their contact information is Laura.Dyer@state.mn.us or 651-582-8722. The grants specialist will also be conducting a Pre-Award Risk Assessment, which may require a review of financial documentation and prior grant performance before the execution of the OGAN. The grants specialist will contact you if they need any information to conduct that assessment.

Please do not incur any expenditures until the OGAN is fully executed. Any expenditure you make prior to the full execution of the OGAN will be your sole responsibility to pay.

We look forward to working with you in the future.

Sincerely,

Bette Benson, Grants Specialist Coordinator
