General Personnel

Communicable and Chronic Infectious Disease

The Superintendent or designee shall develop and implement procedures for managing known or suspected cases of a communicable and chronic infectious disease involving District employees that are consistent with State and federal law, Ill. Dept. of Public Health rules, and School Board policies.

An employee with a communicable or chronic infectious disease is encouraged to self-report to the Superintendent immediately and grant consent to being monitored by the District's Communicable and Chronic Infectious Disease Review Team (CCIDRT). The CCIDRT, if used, provides information and recommendations to the Superintendent concerning the employee's conditions of employment and necessary accommodations. The CCIDRT shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed to be disclosed by law.

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. An employee with a communicable and chronic infectious disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

Professional Personnel

Suspension

Suspension Without Pay

The School Board may suspend a professional employee without pay: (1) pending a dismissal hearing, or (2) as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the District. A *professional employee* means a non-administrator employee who holds a professional educator license. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the District includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or administrative procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the District as defined above, or (3) pending a Board hearing to suspend a professional employee without pay.

The Superintendent shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
    a. A suspension with pay; or

3. A suspension without pay.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, then the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Student Assignment and Intra-District Transfer

Attendance Areas

The District is divided into school attendance areas. The Superintendent will:

1. Review the boundary lines annually and recommend to the School Board any changes or revisions for existing units; or
2. Create new units using a lens that considers preventing segregation and the elimination of separating students in the District's schools because of color, race, or nationality.

The Superintendent or designee shall maintain a map of the District showing current school attendance areas. All records pertaining to the creation, alteration, or revision of attendance units are open to the public. Students living in a given school attendance area will be assigned to that school. Homeless children shall be assigned according to Board policy 6:140, *Education of Homeless Children*.

Transfers Within the District

A student's parent(s)/guardian(s) may request a transfer for their child to a District school other than the one assigned. A request should be directed to the Superintendent, who, at his or her sole discretion, may grant the request when the parent(s)/guardian(s) demonstrate that the student could be better accommodated at another school, provided space is available. If a request is granted, the parent/guardian shall be responsible for transportation. The provisions in this section have no applicability to transfers pursuant to the Unsafe School Choice Option covered in Board policy 4:170, *Safety*.

Class Assignments

The Superintendent or designee shall assign students to classes.

Student Use of Buildings - Equal Access

For purposes of this Board policy, the District has established a *limited open forum* for high school students enrolled in the District. Each District high school shall offer an opportunity for student-led *noncurriculum related student groups* to meet on school premises during *noninstructional time*. Noncurriculum related student groups are those student groups, clubs, or organizations that do not directly relate to the curriculum. For purposes of this Board policy, a *non-school sponsored* noncurriculum related student group is a noncurriculum related student group that is student led.

A student group or club is *school sponsored* if the District approves the student group or club to have a paid adult sponsor to promote, participate, and/or lead its activities. However, assigning a teacher, administrator, or other school employee to supervise a meeting for custodial purposes, allowing groups to promote meetings, and providing access to resources as determined by the District do not constitute sponsorship of the student group or club, nor does it constitute the District's endorsement or agreement with the activity or the speech of the students who participate in the activity.

Extracurricular and co-curricular student groups or clubs that are school sponsored are governed by Board policy 6:190, *Extracurricular and Co-Curricular Activities*.

Student groups or clubs directed and controlled by non-school persons are governed by Board policy 8:20, *Community Use of School Facilities*.

Student-led noncurriculum related student groups or clubs that are not school sponsored are granted free use of school premises and/or access to school resources for a meeting or series of meetings under the following conditions:

1. The meeting is held during those noninstructional times identified by the Superintendent or designee for noncurriculum related student groups, clubs, or organizations to meet. *Noninstructional time* means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends.
2. All noncurriculum related student groups that are not school sponsored receive substantially the same treatment.
3. The student group or club and the meeting are student-initiated, meaning that the request is made by a student, and the group or club is led by a student.
4. Student attendance at the meeting is voluntary.
5. The school and school employees will not promote, lead, participate in, or otherwise sponsor the meeting.
6. School employees are present at religious meetings only in a nonparticipatory capacity.
7. The meeting and/or any activities engaged in by the student group or club do not materially or substantially interfere with the orderly conduct of educational activities.
8. Non-school persons do not direct, conduct, contcccccrol, or regularly attend the meetings.
9. The school retains its authority to maintain order and discipline.
10. A school staff member is present in a supervisory capacity
11. The Superintendent or designee approves the use of school premises and/or access to school resources for a meeting or series of meetings.
12. The school requires neutral content generally limited to club/group name, meeting time(s), and location(s) as well as the approval of the Building Principal or designee for all advertisements, wall postings, or flyers.

Community Relations

Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities, and will not be subject to illegal discrimination. When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent or designee is designated the Title II Coordinator and shall:

1. Oversee the District's compliance efforts and recommend necessary modifications to the School Board.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under Board policy 2:260, *Uniform Grievance Procedure*.
