Board of School Trustees
Mansfield Independent School District

TITLE: Consideration and Approval of House Bill 3 Goals and Annual Targets

DATE: November 17, 2026

ACTION

BACKGROUND:

Pursuant to House Bill 3, local boards of trustees are required to adopt five-year outcome goals and annual targets for student achievement and student groups identified within the state accountability system's Closing the Gaps domain. These goals and targets serve as measures of district progress and support ongoing monitoring of student performance outcomes.

The attached annual targets were developed using current student performance data and reflect the district's commitment to improving student achievement, accelerating growth, and reducing achievement gaps among student groups.

RECOMMENDATION:

The Superintendent recommends the approval of the House Bill 3 Goals and Annual Targets as presented.
