GOAL: 4
OBJECTIVE: 4A

SUBJECT: Consider Board approval of Automotive, Bus Parts, and Supplies bid.

RATIONALE: State law requires an approved method for acquisition of goods or services totaling over $50,000.00 for a 12-month period. Estimated expenditures for auto and bus parts exceed that amount.

Bid Packets were posted online and responses were received from sixteen (16) vendors.

RECOMMENDATION: This will be a "catalogue" type bid award. Due to the urgency involved in the repair of buses and the sometimes unavailability of parts from a particular vendor, the administration recommends multiple awards to all responding vendors so that parts can be purchased in a timely manner.
