REASON FOR BOARD CONSIDERATION:
The voting window for the Oregon School Board Association (OSBA) election is from October 15 to December 15, 2026.

BACKGROUND:
Founded in 1946, OSBA is governed by a member-elected board and serves K-12 public school boards, public charter school boards, education service district boards, community college boards, and the State Board of Education. Through legislative advocacy at state and federal levels, board leadership training, employee management assistance and policy, legal and financial services, OSBA helps locally-elected volunteers fulfill their complex public education roles.

As a member of the OSBA, the CCC Board of Education is eligible to participate in the election of officers to the OSBA Board and the Legislative Policy Committee, and to vote on resolutions that amend the OSBA Constitution or adopt legislative priorities.

The Board may consider ballot items separately and may decline to vote on any of them. After the Board has taken action on the candidate position and resolution, the Board Secretary will submit the vote via the OSBA on-line ballot.
