CHELSEA SCHOOL DISTRICT
Board of Education Report

North Creek Elementary School

Nov 16, 2026

CURRENT HIGHLIGHTS:

- [ ] North Creek & South Meadows Literacy Lab Days: This two-day event gave teachers time to collaborate, communicate, and think critically about literacy with each other, our literacy interventionists, and Kristi from Collaborative Classroom.
- [ ] November 2 Professional Development Day - Staff spent time focusing on our building goals
- [ ] Young 5s Construction: Construction remains on schedule. We appreciate the district and community support that is making this important project possible.
- [ ] National School Safety Week: National School Safety Week was successful. A special thank you to Greg DeGrand for collaborating with us and helping.
- [ ] Veterans Day: Honoring our veterans is one of our most important events, and it gives us a chance to show outward support for our community outside of North Creek.
- [ ] Halloween Parade: We had a blast, and the parade was a success. The weather was perfect. We want to thank our local heroes, the Chelsea Police Department, for helping our event be a big success. We also wanted to thank our neighbors in Landwood for showing up and showing our kids lots of love.

LOOKING AHEAD:

- [ ] Nov. 19 - NCE, SME, BMS, CHS MTSS Teams attending MTSS conference
- [ ] Nov. 25-27 - No School / Thanksgiving Break
- [ ] Nov. 25 - Y5 Renovated Space Community Open House @4-6pm
- [ ] Dec. 1 - Washtenaw County Health Department Dental Screening @NCE

Respectfully submitted,
Casey Wescott
