Agenda Item: Consider and Take Possible Action Regarding the Naming of New Elementary School #4

Summary:

The Board of Trustees retains final authority to name Elementary School #4. Terrell ISD Policy CW(LOCAL) establishes the naming criteria, nomination requirements, and committee review process. The proposed action is to consider a documented committee recommendation and select a campus name that reflects the District's educational mission and community.

Policy Requirements:

CW(LOCAL) permits names recognizing distinguished historical figures, educators, local citizens or alumni, donors and supporters, historical events or places, geographic locations, positive role models, and campus programs or educational concepts. An individual namesake must reflect high educational principles and moral character and have made a substantial contribution to the District or public education.
