Subject:

2026-2027 Marble Falls ISD District Improvement Plan and Campus Improvement Plans

Executive Summary:

Marble Falls ISD Central Administration and Campus Administration have worked with staff and community members in a collaborative effort to operationalize the mission and vision of Marble Falls ISD in our district and campus improvement plans.

At the October Board of Trustees meeting, administration provided an overview of the 2026-2027 District Improvement Plan. Additionally, principals presented an overview of their campus improvement plan priorities.

Plans were developed using a variety of data sources from the comprehensive needs assessment and aligned to the goals of the MFISD School Board.

Administration recommends approval of the goals and performance objectives in the Marble Falls ISD District Improvement Plan and Campus Improvement Plans.
