Transportation Report for November 2026 School Board Meeting
Highlighting October 2026 Activities

Department:	Transportation
HR|Business Services Committee:	11.09.2026
Regular Board Meeting:	11.17.2026
Report Prepared By:	Jeremy Kasapidis / Joe Killian

What We're Working On:

- Ongoing staffing shortages stemming from sick leave continue to impact operations, resulting in occasional route cancellations.
- Additionally, maintenance is currently backlogged due to delays in parts delivery and challenges in sourcing suitable replacements.
- Meanwhile, routing operations have slowed significantly as weekly requests have dropped to a small volume.
