Cougar Tracks

Nov 6-Nov 13

Hannan's Highlights

We have an exciting week with LOTS of activities!

Hello Cougar Families!
We had so much fun this week learning and growing.
Huge shout out to our amazing Librarian, Mrs. Carbajal, for organizing not only a fantastic book fair but a super fun Literacy Night!

The next few weeks bring more exciting events...
Tuesday, Nov 10th is Ornament Painting sponsored by our JES PTO! See below for more information.

Wednesday, Nov 11th, our 3rd graders will present a Veterans Day performance to honor the service and sacrifice of our current and former military members and their families.

Friday, Nov. 20th is our annual JES Thanksgiving lunch. See below for more information about lunch times, how to order lunch, and a form to complete if you plan to check-out your child or children following lunch

***Breakfast with Santa is coming to JES on Saturday, Dec. 5th from 9:00-11:00
Come take pictures, do fun crafts, write a letter to Santa, enjoy a light snack and more.
See below for more details.

The window for GT Nominations is now open! See below for more information.

Hey Jarrell Cougars - Let's READ!! JES Beanstack Weekly Winners!
Students in K-5 have opportunities to wil fun prizes while boosting reading stamina and encouraging a love for reading. Please see below for more details and how to start earning prizes!

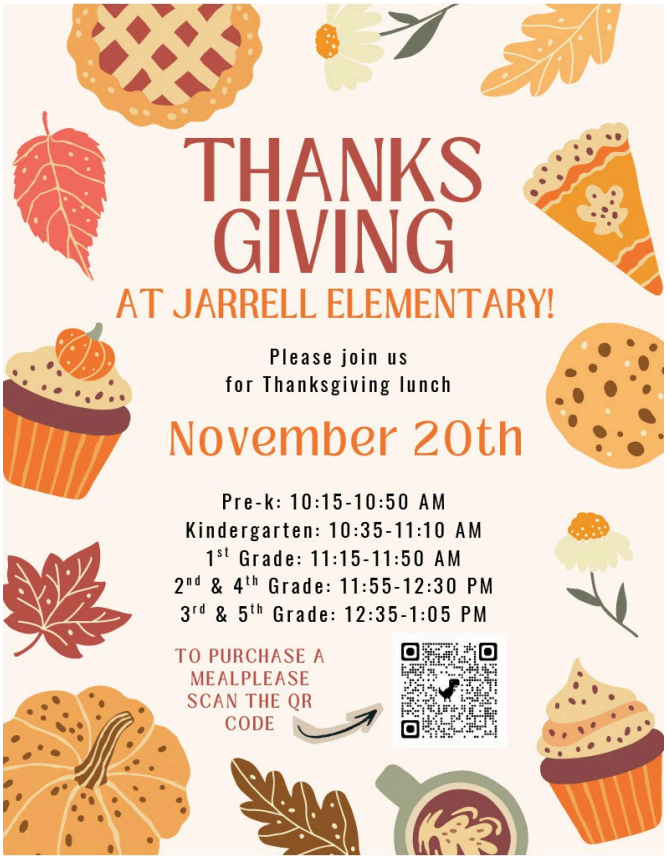

Have a wonderful weekend!

Just a Reminder...

Birthdays and Holidays call for treats to share with friends/classmates at school!

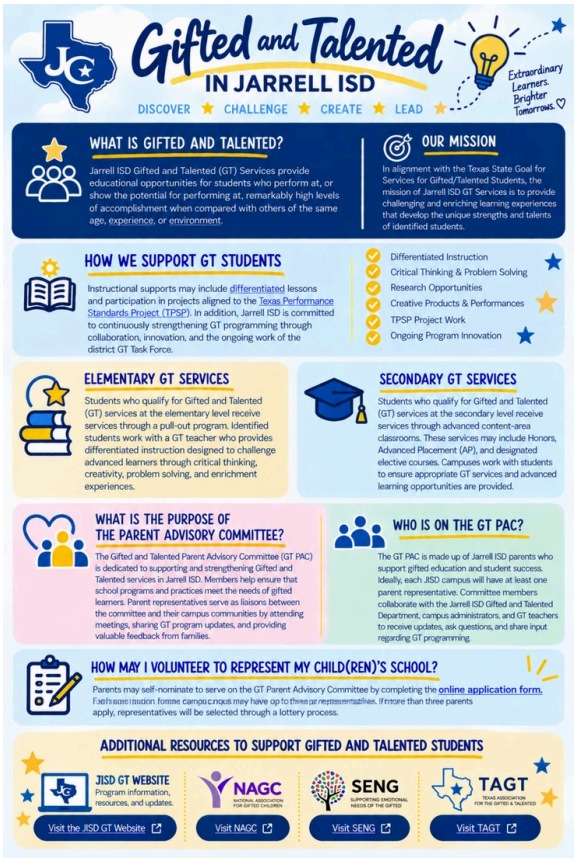

We LOVE homemade treats, however, we have many students with allergies etc. so we must ask that only store bought treats be sent to school. We appreciate your understanding.

Attendance Matters

Our Goal is 97% of all JES students in attendance EVERYDAY!

Our JES attendance for the week was 96% - Keep up the great work!
Our Attendance committee will share some exciting prize opportunities for the grade level with the highest monthly attendance, Students with perfect attendance, and even some awesome prizes for parents of students with perfect attendance! Stay tuned for big announcements coming next week!

PTO Update

PTO News

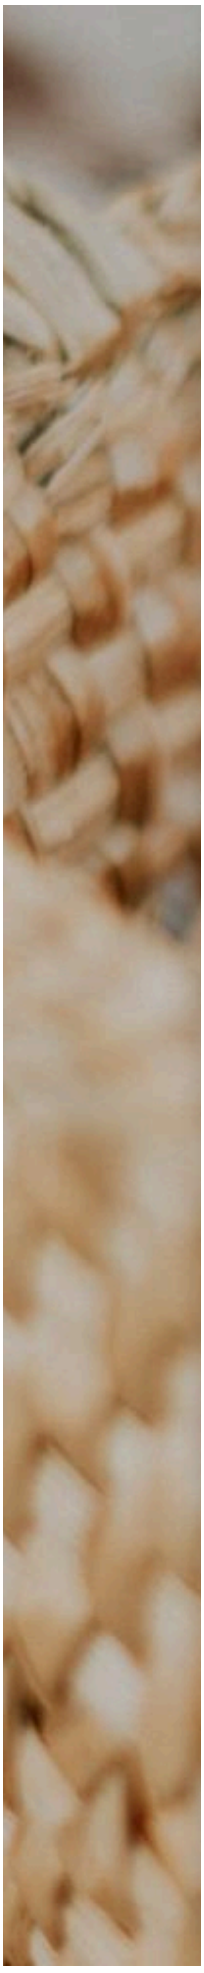

Fall Fun & Holiday Festivities at JES!
The holidays are right around the corner, and the JES PTO has two fun events for the whole family! Join us on October 29th from 5:00–6:30 PM for our Trunk or Treat, filled with fall fun and community spirit. Then, get into the holiday spirit at our Ornament Painting Event on November 10th from 5:30–7:30 PM! Bring the family, get creative, and paint a special ornament to treasure for years to come.

We can't wait to make more wonderful memories together with our JES families!

There is still time to sign up to host a trunk or treat as well. You can email the PTO at jarrell.elem.pto@gmail.com.

Join the JES PTO

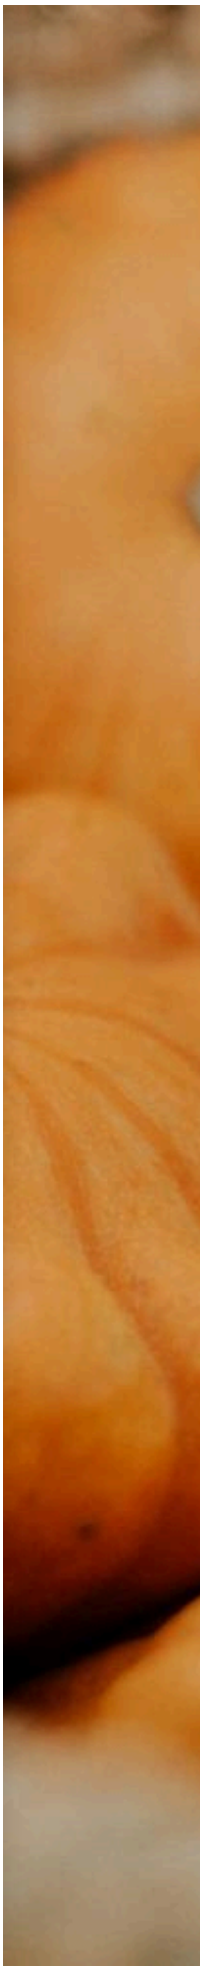

If you haven't joined the JES PTO yet, no worries, there is still time! The membership is $5 a year. You can pay by cash, check, or by scanning the QR code on the application.

PTO MEETINGS '26-'27

All meetings will be held the 2nd Wednesday of the month at 5:30pm in the Jarrell Elementary cafeteria.

September 9th
October 14th
November 11th
December 9th
January 13th
February 10th
March 10th
April 14th
May 12th

Exciting learning is happening in each grade level

Pre-K

Thematic

This week in Pre-k, we will be learning, exercise is moving to stay healthy and fit. Our bodies need to be active to be healthy and strong. Exercise is a healthy habit. Dancing is a fun exercise that helps keep our body in shape. Everyone faces mental and physical challenges. Challenges often require determination and persistence.

Math, science, social studies

In math, science, and social studies, we will be learning that a repeating pattern is a series of identical cores. Patterns describe how something changes in a predictable way. Extending patterns helps us predict what comes next. Games and dances come from many cultures all over the world. There is more than one way to solve a problem or do something. Lastly we will review strategies to solve problems, explore emotions and how to deal with them, and brainstorm/discuss ways to use helping hands at school.

Literacy

In literacy, we will be learning that words that rhyme have the same ending sound. Words can be segmented and blended by syllables. Characters can be real or make-believe. Ideas (expressive thought) can be illustrated or written. Pictures can help readers infer meaning in a story.

Priority standards

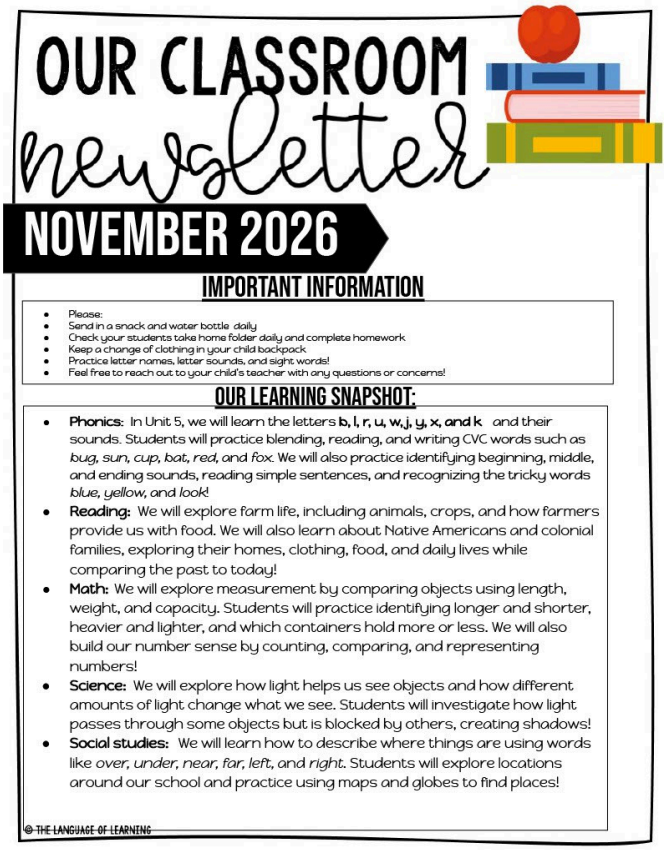

V.A.3 We will recognize, duplicate, extend, and create patterns.
IV.C.1 We will write first name using legible letters in proper sequence.
III.B.6 We will identify rhyming words.
III.B.5 We will blend and segment syllables in multisyllabic words.
III.C.2 We will recognize and name at least 20 letters (upper and lowercase letters).

Vocabulary
Active, boogie, challenge, change, code, design-criteria, determination, exercise, fit, groove, grumpy, passive, pattern, pattern core, persistence, program, repeat.

Family connection
This week's Family Connections activities can be found at
https://lilypad2.frogstreet.com/public/resouce-detail/5e41565a-28ae-482b-bd9e-e4c642040927

Kindergarten

OUR CLASSROOM newsletter

NOVEMBER 2026

IMPORTANT INFORMATION

- Please:
- Send in a snack and water bottle daily
- Check your students take home folder daily and complete homework
- Keep a change of clothing in your child backpack
- Practice letter names, letter sounds, and sight words!
- Feel free to reach out to your child's teacher with any questions or concerns!

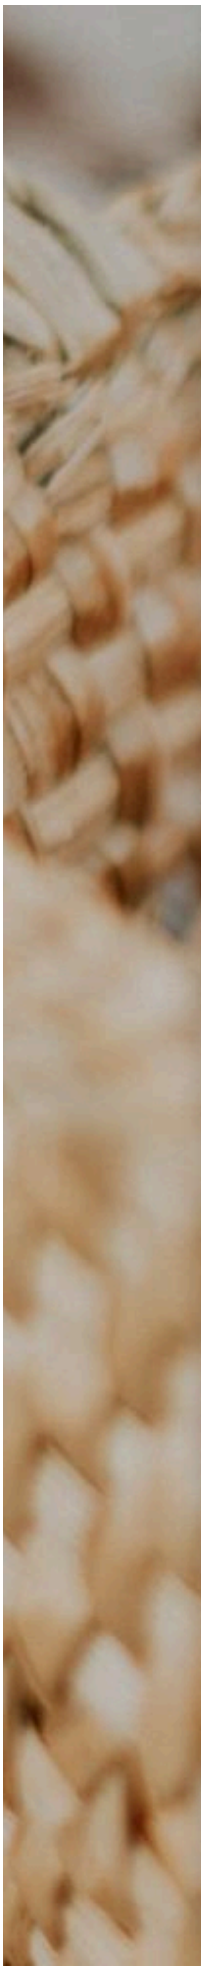

OUR LEARNING SNAPSHOT:

- **Phonics:** In Unit 5, we will learn the letters **b, l, r, u, w, j, y, x, and k** and their sounds. Students will practice blending, reading, and writing CVC words such as *bug, sun, cup, bat, red,* and *fox*. We will also practice identifying beginning, middle, and ending sounds, reading simple sentences, and recognizing the tricky words *blue, yellow,* and *look*!
- **Reading:** We will explore farm life, including animals, crops, and how farmers provide us with food. We will also learn about Native Americans and colonial families, exploring their homes, clothing, food, and daily lives while comparing the past to today!
- **Math:** We will explore measurement by comparing objects using length, weight, and capacity. Students will practice identifying longer and shorter, heavier and lighter, and which containers hold more or less. We will also build our number sense by counting, comparing, and representing numbers!
- **Science:** We will explore how light helps us see objects and how different amounts of light change what we see. Students will investigate how light passes through some objects but is blocked by others, creating shadows!
- **Social studies:** We will learn how to describe where things are using words like *over, under, near, far, left,* and *right*. Students will explore locations around our school and practice using maps and globes to find places!

© THE LANGUAGE OF LEARNING

1st Grade

In Skills we will demonstrate and apply phonetic knowledge by using knowledge of base words to decode common compound words, contractions, and r-controlled words. In Knowledge we will evaluate details to determine what is most important with adult assistance as we review our unit on Earth and end the week with our end of unit test. In Math we will explain strategies used to solve addition and subtraction problems up to 20 using spoken words, objects, pictorials, models, and

number sentences. In Social Studies we will describe the origins of customs, holidays, and celebrations of the community, state, and nation such as Constitution Day, Independence Day, and Veterans Day.

2nd Grade

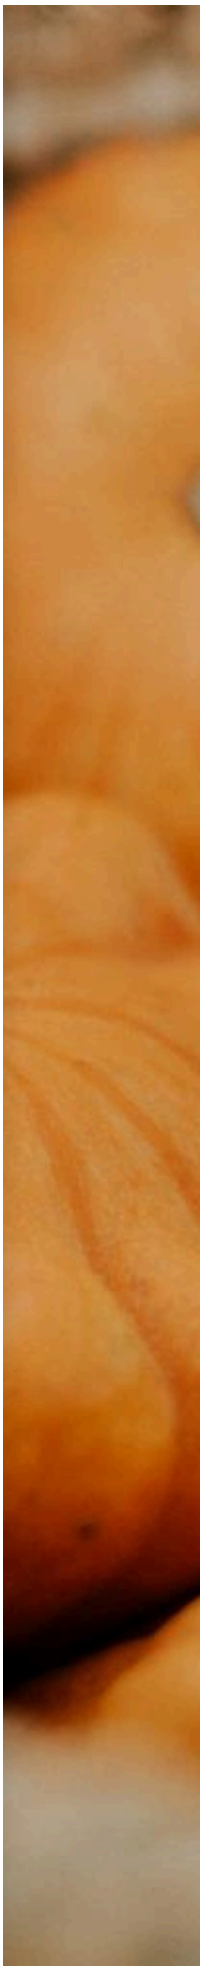

Next week in **Skills**, we will continue reading *Kids Excel* and learning different ways to spell the /ue/ sound. In **Knowledge**, we will begin a new unit on Cycles of Nature, exploring different cycles in the world around us. In **Math**, we will continue practicing addition and subtraction, finding numbers that are 10 or 100 more or less, and solving word problems. In **Science**, we will continue exploring how stronger and weaker pushes and pulls affect how objects move. In **Social Studies**, we will continue learning why we celebrate holidays like Veterans Day, Memorial Day, Independence Day, and Thanksgiving. We will also learn about important services in our community, such as schools, libraries, police officers, and firefighters.

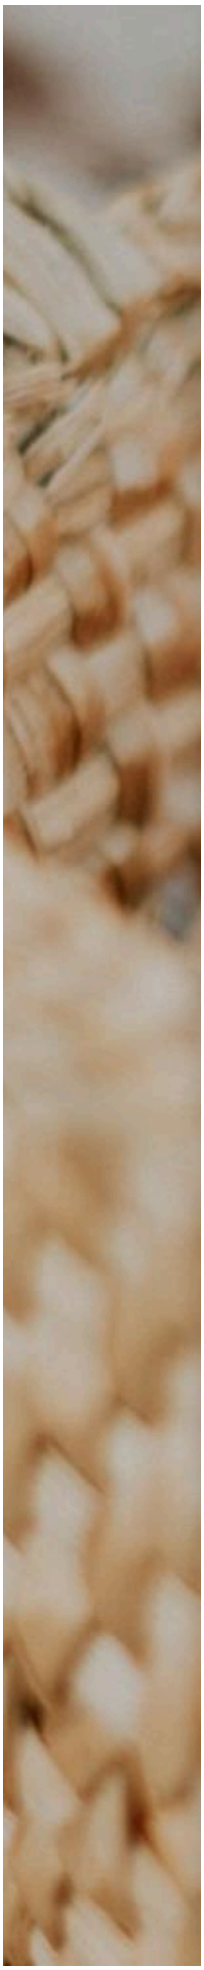

3rd Grade

Reading:
We have officially started **Unit 3: The Human Body!** Throughout this unit, students will explore informational texts about the human body while strengthening important reading skills.
Students will be working toward earning their **Pediatrician Degree**! Students who earn a **Meets or Masters** score on their end-of-unit assessment will receive their pediatrician degree.
During this unit, we will focus on
Using **context clues** to determine the meaning of unfamiliar words
Evaluating details and determining which information is important
Identifying **central/key ideas** and supporting them with relevant details
Composing **informational writing pieces** using information from texts
October Reading Log: Students have also received a reading log to complete throughout the month of October. Please encourage your child to read regularly and record their reading on their log.
Math:
In math, students are continuing to build their number sense and problem-solving skills. We will be working with **place value, number lines, multiplication, time, and weight**. Students will have opportunities to apply these skills to solve problems and explain their mathematical thinking.
Social Studies
In social studies, students are learning about the **different levels of government** and the roles they play in our communities. We will also be learning about the qualities and responsibilities of a **good citizen**, including ways people can contribute to and help their communities.
Science:

In science, students are learning about **force and motion**. We will explore how pushes and pulls can affect the movement of objects and investigate how different forces can change an object's motion.

4th Grade

ELA: Students will continue Unit 5 by strengthening their reading and writing skills through an informational text about the American Revolution. They will practice making inferences, supporting their thinking with text evidence, and using context clues to determine the meaning of unfamiliar words.
Math: Students will wrap up Module 3 by solving problems involving multiplication and division, including interpreting remainders. They will demonstrate their understanding by reviewing and taking the Module 3 assessment by the end of the week.
Social Studies: Students will learn about important figures of the Texas Revolution and use text evidence to support their thinking in written responses.

Science: Students will review the Energy unit and prepare for their unit test on Wednesday.

5th Grade

Good Afternoon! Next week, 5th graders will be working on the following:
-RLA: We will begin a new unit called Don Quixote: A Hopeful Knight's Tale.
-Math : We will begin the new module on Fractions.
-Science: We will continue working on our unit for Electricity/ Circuits.
-Social Studies: We will begin working on the Constitution and Government.
.

A Note from the Nurse

.

WELCOME to our new nurse Hannah Reed!

We are excited you are here!

Medication

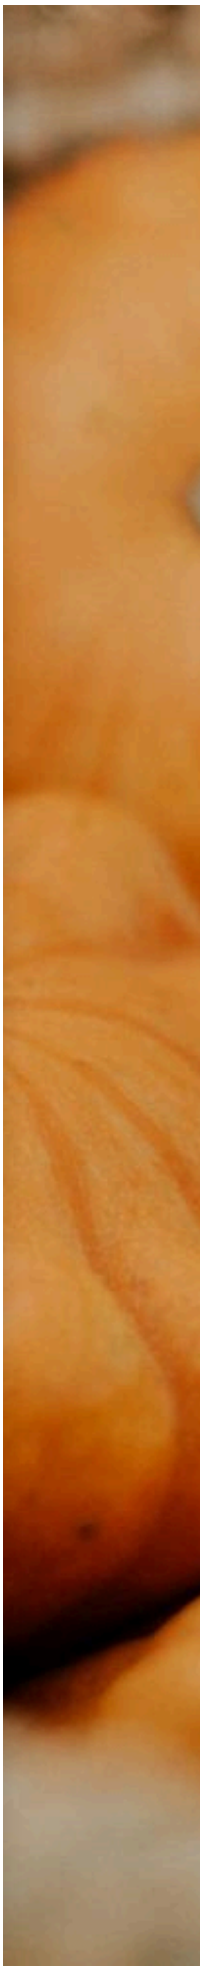

💊 **Medication Reminder for Families**
For the safety of all our students, **please do not send any medication to school with your child or place medication in their backpack.**
All medications must be **brought directly to the school by a parent or guardian**.
Please make sure prescription medication is in the **original prescription bottle or pharmacy-labeled container** and clearly includes:

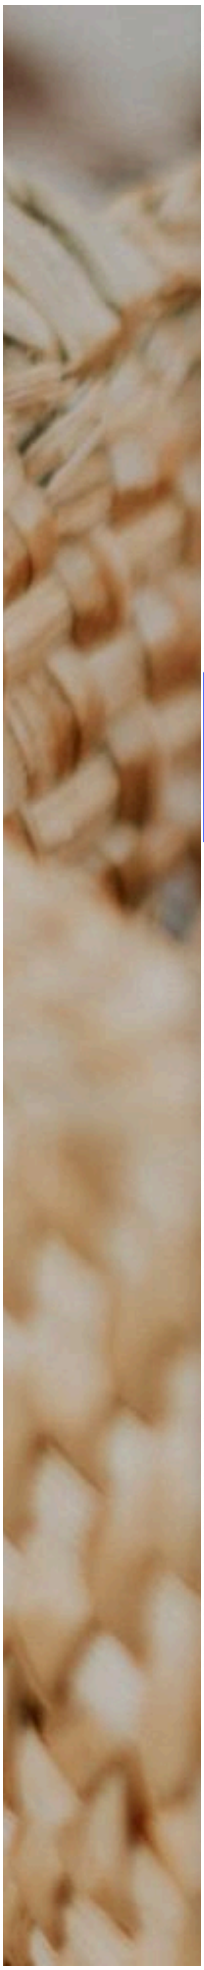

- Student's name
- Medication name
- Dosage and administration instructions
- Physician's name

Thank you for helping us keep our students safe and for partnering with us to ensure medications are handled appropriately at school. We appreciate your cooperation and support!

Arrival and Dismissal Procedures Reminders

Transportation Procedures

Dear Parents/Guardians,
Welcome to the 2026-2027 school year at Jarrell Elementary. Please take a moment to read the morning drop-off and dismissal procedures. These procedures are in place to ensure that all students get to class or home safely.

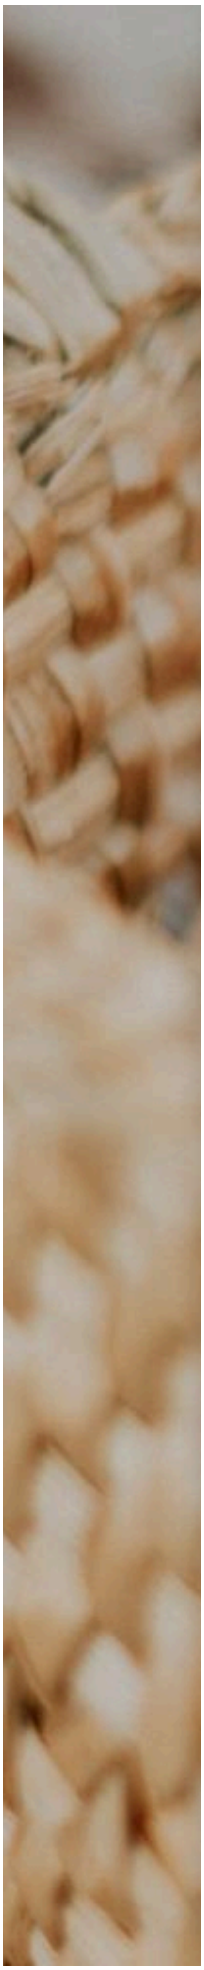

Please be sure to bring your tag to pick up your child. If you need a tag, please stop by the front office.

Car Riders - We finished car rider pick-up at 3:20 today, YIPPEE! If you arrive after car rider pick-up is complete, please go to to the front office with either your ID or car tag. Thank you.

Walker parents - please park and pick-up you child at the release gate. It is not safe for students to run across the parking lot as we have many cars coming and going. All walkers should use the cross walk at the corner of the school. Please do not walk between cars or through the front parking lot.
We appreciate you help in keeping all students and staff safe.

Bell Schedule

7:05 Doors open, breakfast available
7:25 First bell rings to go to classroom
7:30 Tardy bell, student must be signed in by parent/guardian 2:55 Dismissal
3:00 Buses leave campus

General Information:

- **Transportation changes should be completed through the front office before 1:30 pm.**

- If you need to sign your student out before the end of the day, please do so before 2:30pm. After this time we have already begun our end of the day transitions making it difficult to locate your student.
- This school year, we will continue to use last school year's dismissal tags. If you need any additional tags, please let our office staff know. These tags are issued to custodial parents and are what staff will use to gather your students. **Dismissal tags are a safety measure to help us ensure your children are going home with the correct adult.**
- Additional or replacement dismissal tags may be purchased in the front office for $2.00.
- We ask parents of bus riders or walkers to keep the tag in the event that they may need it at some point during the school year.

Bus Riders

- All students riding the bus MUST have their Student Tag to load and unload the bus. This is for the safety of your child.
- Students in grades Pre-K through 1st, will not be released from the bus after school without an authorized parent or guardian present. Students will be returned to their campus and parents will be asked to pick them up from campus.
- Additional or replacement Student Tags may be purchased in the front office for $5.00.

Walkers and Bike Riders

Morning Drop off

- You may park in the lot by the portables and walk your child to the door. Please use the stairs and crosswalk. Please do NOT walk through the front parking lot due to staff vehicles entering, which creates a safety concern for anyone walking through the lot.
- Parents will not be able to enter the building when dropping off their child.
- The front parking lot is for staff parking only.
- All students who walk or ride their bike to school will enter the school through the front doors.

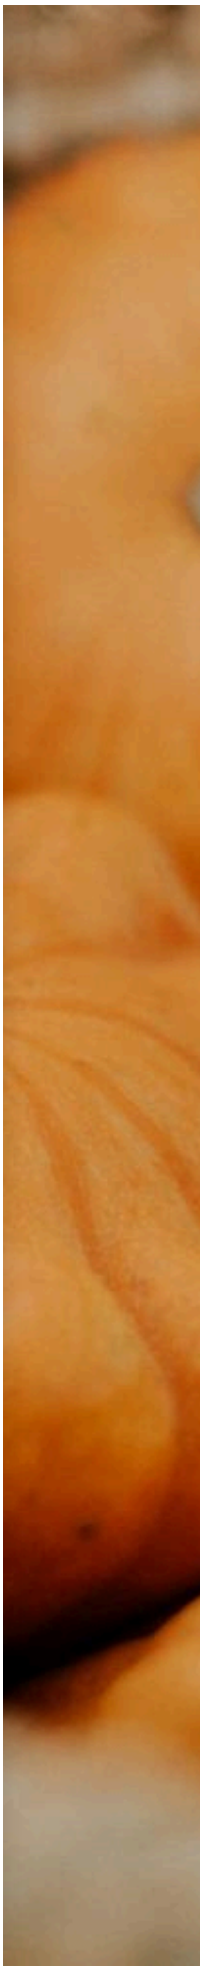

Afternoon Dismissal

- In order to avoid students crossing traffic, students who live in the apartments will be dismissed from the back of the building by the big playground. Parents can meet their child(ren) at the bridge in the park. Students in grades Pre-K through First will be released by dismissal tag number, or with an older JES sibling.
- Other students who walk or ride a bike to the neighborhood will be dismissed from the front of the building. Students in grades Pre-K through First will be released by dismissal tag number, or with an older JES sibling. Parents may meet students on the front porch. All parking lots will remain closed during dismissal.
- Driving up to pick up your walkers is not permitted. All students leaving campus in cars will do so through the car line.

Car Line- Drop off and Dismissal Procedures

Morning Drop off

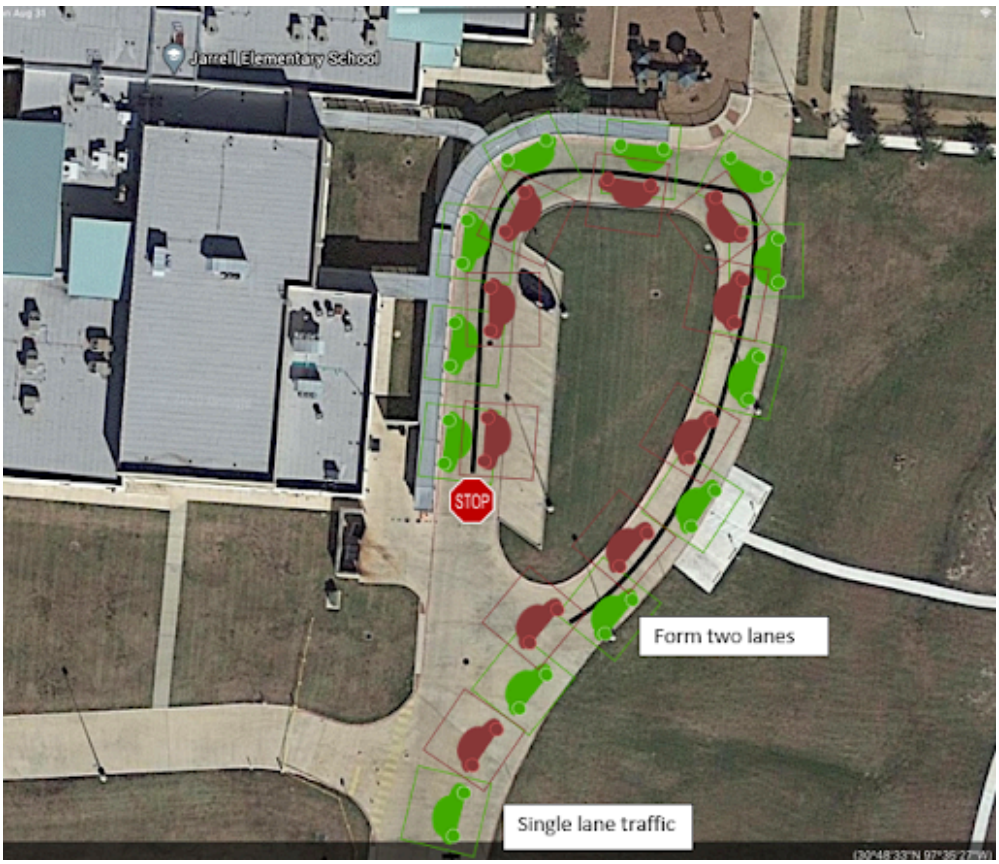

- Car rider drop off is located at the back of the building and is accessed from CR 313.
- Drop off begins at 7:05. Children dropped off prior to this time will be unattended.
- Cars are to form one line until they enter the circle drive.
- Please form two lines upon entering the circle drive.

- Please remain in your car and have your child ready to exit the car when they are near the drop off area.
- Please pull as far forward in the drop-off line as possible.
- All cars will unload students at the same time. Staff will have STOP signs indicating for all cars to stop. Once the **whistle is blown**, **your child will exit the vehicle unassisted.**
- Please remain inside your car, unless you have to unbuckle your child in a car seat.
- Staff will be available to help small children walk into school once they have exited the vehicle.
- NO cars should move until all cars in your group are unloaded and are directed to go.
- Car rider drop off ends at 7:25, following the tardy bell. The back doors will be locked at 7:25 for security purposes. Any students that arrive after 7:25, **MUST be walked** into the front office with a parent/guardian to sign them in.

Afternoon Car Rider Dismissal

- Student pick up will take place at the back of the building, accessed by CR 313. Cars are to form one line until they enter the circle drive. Upon entering the circle drive, cars should form two lines.
- Please keep your dismissal tag visible **until your child is loaded** so that the staff member can identify the car and load your child(ren) safely and quickly.
- All cars will load and then move at the same time. Please remain in your car, listen for the whistle, and watch for staff directing traffic. NO cars should move until all cars in your group are loaded and are directed to go, since we have students and teachers walking to the cars.
- Please remain inside your car, unless you have to buckle your child in a car seat. Staff can NOT buckle students.
