STEWARTVILLE FIRE DEPARTMENT
417 S. Main Street
Stewartville, MN 55976

Monthly update for October, 2026

1. Calls for service will be provided on the attached sheets going forward. The pie chart is a count of calls for service in each of our response zones and the chart is October calls for service by dispatch type.
2. SFD celebrated fire prevention week in October with our annual pancake breakfast fundraiser where we served around 800 people. We then invited community members to the fire station for our annual open house where we had perfect weather and another great turnout.
3. SFD was awarded a $2,500 grant from Peoples Energy Cooperative as part of their Operation Roundup. The donation will be used to help purchase a new vitals machine.
