Board Meeting Date: 11/9/26

Title: School Board Member Handbook

Type: Discussion

Presenter(s): Michael Birdman, Edina School Board Member

Description: Provide for a discussion and review of the new School Board Handbook that has been developed to aggregate and incorporate all pertinent information related to the duties and responsibilities of the School Board into a reference guide and handbook for school board directors to reference. This handbook will be used as a primary training tool for new board members and will consistently be updated with relevant information on an annual basis.

Recommendation: Review and discuss the handbook and its desired utilization.

Desired Outcome from the Board: Please bring questions, comments, recommended revisions so that action can be taken to accept the handbook before the end of the calendar year and the start of the new school board Jan 2027.
