TITLE: iMatter: A Community Partnership with Mind Above Matter

DATE: November 17, 2026

PRESENTATION

BACKGROUND:

This presentation, **iMatter: A Community Partnership with Mind Above Matter**, delivered by Jennifer Powers and Karrye Aquino, will introduce an innovative community partnership between Mansfield ISD and Mind Above Matter to address adolescent mental health needs within MISD.

The presentation will highlight the potential benefits of bringing specialized mental health services directly into the school community, providing students with clinical support, coping strategies, and resources to build resilience and thrive both in and beyond the classroom.

RECOMMENDATION:

None, this is informational only.
