Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: November 16, 2026

Agenda Item#:

Topic: Approval of over $50,000 Vendor – 2026-27 TVAH Federal Grant Services - K12 Stride

Background and Rationale:

The 2024-25 fiscal year was the first year for the TVAH campus to qualify as a Title I campus and be eligible for ESSA federal grant funding, and that eligibility has continued through to 2026-27 and now also includes IDEA-B special education services. As a result of that designation, HISD sought and received TEA approval to pay for these related services to K12 Stride from federal grant funds. We have received documentation of IDEA-B related personnel and grant eligible purchases for the month of October 2026, from K12 Stride, and those expenses from each grant are summarized below:

- October 2026 IDEA-B personnel services = $237,603.55
- October 2026 Title I personnel & PFE Event Expenses = $411,495.33

2026-27 federal grant funds have been allocated and approved by TEA for these purchases and will be funded from those grants, upon Board approval.
