5:170 Copyright for Publication or Sale of Instructional Materials and Computer Programs Developed by Employees

Instructional Materials

All instructional materials developed by an employee within the scope of employment with the District shall be classified "works for hire" and are the District's property. The District is entitled to all proceeds from the sale of "works for hire" other than computer programs.

The employee must provide the District with prior written notification of his or her intention to publish any instructional materials developed within the scope of employment. In no case shall notification be made any later than 20 business days prior to entering into a contract for publication with a publishing firm or with a manufacturer. The District has the exclusive right to register the copyrights for such instructional materials. Unless the employee specifically states in writing to the contrary, the employee warrants that any instructional materials developed and submitted to the District for publication are original.

Computer Programs

The employee who develops a computer program is entitled to a share of the proceeds from its sale as agreed to by the District. Neither the employee nor the District may receive more than 90% of the proceeds. The negotiation may be conducted by an employee's representative.

"Proceeds" are the profits after deducting expenses and shall be computed by the District. The proceeds of a computer program developed by more than one employee shall be equitably distributed among such employees, in proportion to their participation in the program's development, and the District.

Copyright Compliance

While staff members may use appropriate supplementary materials, it is each staff member's responsibility to abide by the District's copyright compliance procedures and to obey the copyright laws. No staff member shall, without first obtaining the permission of the Superintendent or designee, install or download any program on a District-owned computer. The District is not responsible for any violations of the copyright laws by its staff or students. A staff member should contact the Superintendent, or the person designated as the copyright compliance officer, whenever the staff member is uncertain about whether using or copying material complies with the District's procedures or is permissible under the law, or wants assistance on when and how to obtain proper authorization. At no time shall it be necessary for a District staff member to violate copyright laws in order to properly perform his or her duties.

5:180 Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The Board of Education's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of their gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive workdays, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

5:182 Employee Suspension

Suspension Without Pay

The Superintendent, or his/her designee, is authorized to suspend, without pay, for a period not to exceed 10 school days, any employee, for any one or more of the following reasons:

- Incompetency
- Cruelty
- Negligence
- Immorality
- Insubordination
- Violation of Board policy
- Behavior which is not in the best interest of the School District
- Conduct which may disrupt the educational programs and process
- Conduct which violates any Illinois or federal law
- Other sufficient causes

In the absence of the Superintendent, the Building Principal shall have the same authority under this policy as the Superintendent. Administrators may be suspended in increments of not less than one full work week.

Prior to any suspension under this policy, the affected employee shall be notified of the charges by the Superintendent or his/her designee and shall have the right to explain or rebut the charges.

The Superintendent or his/her designee shall then verbally advise the employee of his/her decision regarding the employee's suspension, and the employee shall be required to immediately comply with the Superintendent or his/her designee's directive regarding same. As soon as practicable thereafter, the Superintendent or his/her designee shall provide the employee with written confirmation of his/her decision.

Within five (5) school days of the verbal notification of the determination of the Superintendent or his/her designee, the employee may file a written request with the Superintendent for a review hearing before the Board of Education. If the suspended employee fails to request a review of the Superintendent's decision, he or she shall be deemed to have accepted the decision of the Superintendent and no review by the Board shall take place.

If the Superintendent or his/her designee is of the opinion that the best interests of the school district require a longer suspension than the 10 school days authorized by this policy for administrative suspension, the Superintendent shall notify the Board of Education concerning this recommendation, and the matter shall be presented to the Board as soon as practicable. Written notice of the Board hearing to review the Superintendent's recommendation shall be provided to the employee. The hearing regarding review of the administrative suspension and/or the recommendation for a longer suspension shall take place before the Board of Education or before a hearing officer appointed by the Board.

At the hearing, the employee shall have the right to be represented by counsel at his/her own expense and present witnesses and proof relative to the charges. If a hearing officer is appointed by the Board, he/she shall report to the Board a written summary of the evidence presented at the hearing, his/her findings and recommendation. The Board may take such action thereon as it finds appropriate. If the Board determines that the suspension was not properly invoked, the suspension references shall be deleted from the employee's records, and the lost pay promptly paid to the employee. If the Board believes the employee's conduct warrants a longer suspension, it may extend the suspension without pay for a longer period of time as deemed appropriate under the circumstances. The Board may also take such other action as it deems appropriate, including, but not limited to, converting a portion or all of a suspension with pay to without pay, or converting a portion or all of a suspension without pay to with pay.

Nothing in this policy shall be interpreted to impair the Superintendent's or Board's right to suspend an employee pending a dismissal hearing or to dismiss employees.

Suspension With Pay

The Superintendent, or his/her designee, is authorized to suspend a certificated employee with pay upon oral or written advisement of suspension followed by or combined with a written notice sent by regular mail to the last known address of the employee or personally served upon the employee. The written notice shall include the following:

a. A statement of the reason(s) for the suspension; and
b. The dates and duration of the suspension.

5:185 Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning September 1 and ending August 31 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's

spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided in federal rules.

6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, both of the following provisions must describe the employee:

1. The employee is employed at a worksite where at least 50 employees are employed within 75 miles; and
2. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, *et seq.*, or when a written agreement exists concerning the District's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days

after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within 2 business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for 8 consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

5:220 Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The Ill. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year through June 30, 2026, but not more than 100 paid days in the same classroom. Beginning July 1, 2026, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board of Education establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. Unless otherwise permitted by law, short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant

position. The Superintendent shall notify the appropriate Regional Office of Education (ROE) within five business days after the employment of a substitute teacher in an emergency situation. The Board may continue to employ the same substitute teacher in a vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the end of the then current 30-calendar-day period, the District makes a written request to the ROE for a 30-calendar-day extension and the extension is granted by the ROE.

5:230 Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other licensed educational employees (except for individuals employed as paraprofessional educators), and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students; a student's removal must be in accordance with Board policy and administrative procedures.

School personnel shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) is prohibited in all circumstances. 5:250 Leaves of Absence

Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 *et seq*.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 but not more than 249 employees on a full-time basis, an employee is entitled to a total of six weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one

in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board of Education may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 *et seq.*).

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to a teacher who is elected to serve as an officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System to attend meetings and seminars as described in 105 ILCS 5/24-6.3, (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2, and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with 105 ILCS 5/24-3.5.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same election day.

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

5:270 Employment At-Will, Compensation, and Assignment

Employment At-Will

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in Board of Education policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing nonlicensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Compensation and Assignment

The Board of Education will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in State or federal law shall not work overtime without the prior authorization from the employee's immediate supervisor. Educational support personnel are paid twice a month. The Superintendent is authorized to make assignments and transfers of educational support personnel.

5:280 Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board policies as they may be changed from time-to-time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Ill. State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Nonlicensed Personnel Working with Students and Performing Non-Instructional Duties

Nonlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media, e.g., computers, video, and audio, detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities or for school activities connected to the academic program during any time in which the Governor has declared a disaster due to a public health emergency, in accordance with ISBE rule; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a nonlicensed person from serving as a guest lecturer or resource person under a licensed teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach is knowledgeable regarding coaching principles. Anyone performing

athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder who is a service member has been called to active duty. 5:290 Employment Termination

Resignation and Retirement

An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any reason, subject to State and federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the Board of Education consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an

employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
    a. A suspension with pay; or
    b. A suspension without pay.

The Superintendent, or his/her designee, is authorized to suspend an educational support personnel staff member with pay upon oral or written advisement of suspension followed by or combined with a written notice sent by regular mail to the last known address of the employee or personally served upon the employee. The written notice shall include the following:

a. A statement of the reason(s) for the suspension; and
b. The proposed dates and duration of the suspension.

5:292 Suspension Without Pay

The Superintendent, or his/her designee, is authorized to suspend without pay for up to 10 school days, any certificated staff member, for any one or more of the following reasons:

- Incompetence
- Cruelty
- Negligence
- Immorality
- Insubordination
- Violation of Board Policy
- Behavior which is not in the best interest of the School District
- Conduct which may disrupt the educational programs and process
- Conduct which violates any Illinois or federal law
- Other sufficient causes.

In the absence of the Superintendent, a building principal shall have the same authority under this policy as the Superintendent.

Prior to any suspension under this policy, the affected employee shall be notified of the charges by the Superintendent or his/her designee and shall have the right to explain or rebut the charges at a meeting with the Superintendent of his/her designee, following which the employee shall be advised of the determination of the Superintendent or his/her designee.

Within five (5) school days of the determination of the Superintendent or his/her designee, the employee may file a written request with the Superintendent for a hearing before the Board of Education. If the suspended employee fails to request a review of the Superintendent's decision, he or she shall be deemed to have accepted the decision of the Superintendent and no review by the Board shall take place.

The Board of Education may appoint a hearing officer to conduct the hearing. At the hearing, the employee shall have the right to be represented by counsel and present witnesses and proof relative to the charges. If the Board determines that the suspension was not properly invoked, the suspension references shall be deleted from the employee's records, and the lost pay promptly paid to the employee. If the Board believes the employee's conduct warrants a longer suspension, it may extend the suspension without pay to up to a total of thirty (30) days, or in the case of pending dismissal proceedings, until a final determination on the dismissal is rendered by the Board.

If the Superintendent or his/her designee is of the opinion that the best interests of the School District require a longer suspension than the 10 school days authorized by this policy for administrative suspension, the Superintendent shall notify the Board concerning this recommendation, and the matter shall be presented to the Board as soon as practicable. Written notice of the hearing shall be provided to the employee. At such meeting, the employee shall have the right to be represented by counsel and an opportunity to present witnesses and proof relative to the charges. Following the hearing, the Board shall make a determination regarding whether the suspension should be extended.

Nothing in this policy shall be interpreted to impair the Superintendent's or Board's right to suspend an employee pending a dismissal hearing, to dismiss employees, or to prevent the Superintendent or Board from immediately suspending with pay an employee in accordance with the Suspension With Pay Policy.

5:300 Schedules and Employment Year

The Superintendent shall supervise a process for setting work schedules and an employment year for educational support employees in accordance with State and federal law, School Board policy, and applicable agreements and shall:

1. Assign each employee one supervisor who will establish a work schedule, including breaks, as required by building or District needs, workload, and the efficient management of human resources;
2. Allow for the ability to respond to changing circumstances by altering work schedules as needed; and
3. Consider the well-being of the employee. The Superintendent's approval is required to establish a flexible work schedule or job-sharing.

Twelve-Month Employees

Twelve-month employees work daily (Monday through Friday) except holidays and earned vacation time.

Custodians and maintenance personnel work a 40-hour week, (unless they are part-time personnel) with the individual time schedule developed by the supervisor and subject to individual building needs. Custodians assume the additional responsibility for building checks as outlined in their job description.

Administrative office personnel work up to a 40-hour week with the individual time schedule developed by the supervisor and subject to the District's needs.

Ten-Month Employees

Ten-month employees work 10 working days before and after the school calendar.

On days when school sessions are canceled due to emergency situations and certificated personnel are not required to report for work, ten-month employees will not be required to work.

School secretaries work a 40-hour week, with the individual time schedule developed by the Building Principal. During the school calendar year, there may occur certain modifications of the school secretaries' work schedule, subject to building needs as determined by the Building Principal.

School Year Employees

School year employees work the school calendar year unless otherwise specified. Classroom aides work a schedule subject to building needs as determined by the Building Principal.

Hourly Employees

Hourly employees work as needed and approved by immediate supervisor.

Supervisory Staff

The work day and work year for supervisory staff shall be similar to other personnel except that supervisory personnel are employed for specific tasks and such personnel are expected to work beyond the regular work day in order to accomplish such tasks when necessary. No additional remuneration shall be provided for such work.

Breaks

Employees who work at least 7.5 continuous hours shall receive a 30 minute duty-free meal break which begins within the first five hours of the employee's work day. 5:310 Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 *et seq*., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime.

An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

5:330 Sick Days, Vacation, Holidays, and Leaves

Sick Days

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 340 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the

employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Vacation days earned in one fiscal year must be used by the end of that fiscal year with the exception that full-time educational support personnel will be allowed to carry over a maximum of five (5) vacation days in a particular year. Please note that carry over vacation days cannot accumulate beyond five days. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
President's Day	Veterans Day
Memorial Day	2024 Election Day
Juneteenth National Freedom Day	Thanksgiving Day
Independence Day	Christmas Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Educational Support Personnel receive personal leave on the same terms and conditions granted professional staff.
