Comments:
Each school district that has a DOI is required to renew their DOI Plan every 5 years. Frisco ISD's current DOI Plan is set to expire in 2027. As a result, the DOI Committee was formed by the Board during the 2025-2026 School Year to work on reviewing the District's current DOI Plan, discussing potential revisions, and looking at potential new exemptions to add to the plan to meet Frisco ISD's current and projected needs for the duration of a renewed DOI Plan.
