1. Name of School:

Lakeland High School

2. Grade band:

9-12 - potentially 6-12

3. Name of your club:

Bass Fishing Club

4. Name of the person submitting this application:

Dwain Scruggs - Retired Community Member

5. Name of student leader for the club:

N/A

6. Name of staff supervisor/advisor:

Community volunteer - Dwain Scruggs (willing to get a background check once club is appr

7. What is the purpose of the club?

Form a Bass Fishing Club at Lakeland High School that supports Lakeland Joint School District No. 272 and Lakeland High School in engaging all students in education, community activities, and athletics as way of improving student performance in academics while reducing the risk of dropping out. The Lakeland High School Bass Fishing Club will provide students with another reason to be excited about school and an opportunity for students to engage in our wonderful community and great outdoors.

Mission
Develop responsible student anglers who value sportsmanship, teamwork, conservation, and respect for the outdoors, structured to support academic and character development. Through outdoor education, team competition, and fellowship, build a community of student anglers fostering respect for nature, ethical conservation, and a lifelong love of the great outdoors, while promoting the preservation and enjoyment of our fisheries for future generations.

Vision
Our vision is to inspire students to grow as responsible leaders and environmental stewards on and off the water, connecting our school with the great outdoors.

9. To which class is this club aligned?

Science -

a. Which State Standards would be met through participation in this club?

We reviewed physical education, health, science, and math standards and stated which stardards will be supported.

Physical Education
