Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: November 16, 2026

Agenda #: _____

Topic: Consideration of the 2026-2027 TVAH Local Improvement Plan

Background and Rationale:

Review of the TVAH Local Improvement Plan (LIP).

- TVAH was identified as targeted support in 25-26SY.
  - A student group that misses the targets in at least the same three indicators, for three consecutive years, is identified for targeted support and improvement - academic achievement, academic growth and graduation.
- This is the first year TVAH has been identified for additional targeted support per the TEA report.
  - Additional targeted support occurs when student groups are identified as targeted AND below additional targeted support cut points.

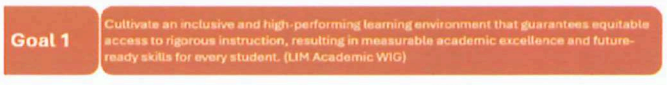

A copy of the local improvement plan has been provided in your packet.

On the LIP, some sheets appear blank at this time due to their being filled in after certain timelines, much like the CIP.
For example, Cycle 4 is not filled in until the summer so all of those are blank.

Our plan was shared with Region 7 for collaborative purposes.

LIP Focus Areas:
4.1 Daily Use of High-Quality Instructional Materials (HQIM)
5.1 Professional development for effective classroom instruction

Relationship to Strategic Plan:

Personnel Affected: N/A

Budget Implications: N/A

Recommendation: TVAH is recommending that the board approve the Local Improvement Plan for the 26-27SY.
