Dear FOIA Officer:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., I respectfully request copies of the following public records:

All communications and records of communications between Joliet Township High School District 204, including its Board of Education, administrators, employees, agents, representatives, and attorneys with the Law Offices of Al Hofeld, Jr. and/or any attorney, employee, agent, or representative of that firm, from June 1, 2024 through present.

This request includes, but is not limited to:

1. Emails;
2. Letters and other correspondence;
3. Text messages and other electronic communications;
4. Meeting invitations and calendar entries;
5. Records reflecting telephone calls, conferences, or meetings, including call logs, meeting notes, and similar records;
6. Any records of Court orders or subpoenas from the Law offices of Al Hofeld Jr. requiring the search for student records;
7. Any other records documenting communications between the District and the Law Offices of Al Hofeld, Jr.

For purposes of clarity, this request seeks responsive communications and records of communications regardless of whether they are maintained on District-owned systems

or devices, to the extent they constitute public records subject to disclosure under the Illinois FOIA.

Student Records and Attachments: We do **not** request copies of email attachments or other attachments that contain private, personally identifiable, confidential, or otherwise protected student information. Such attachments may be withheld in their entirety and need not be produced in response to this request. However, we request that the underlying email or communication transmitting or discussing such an attachment be produced to the extent it is otherwise subject to disclosure, with any information exempt from disclosure appropriately redacted.

To reduce the burden and expense of responding, we request that responsive records be provided electronically in their native electronic format or as searchable PDF files, where reasonably practicable. If the District determines that any responsive record, or portion thereof, is exempt from disclosure, please produce all reasonably segregable non-exempt portions of the record and identify the statutory basis for each withholding or redaction.

Please provide the records electronically to amyers@tresslerllp.com.

Thank you for your assistance. Please confirm receipt of this request.

Sincerely,
Alex Myers

Directory information being **name, address, high school, phone, parent phone number, email, parent email, or that which is available**. Our goal as a nonprofit is to invite academically eligible students from District 204 JTHS to learn about summer leadership and scholarship opportunities. In order for students to be admitted to our programs and scholarships, students who are on Honor Roll. We are not requesting GPA data or information, just a list of students who would be admitted. Is it possible to receive directory information for students made Honor Roll? Again, we do not require the information/data on GPA. If there is still no GPA information for 2030, then we would like the entire list of students please.

To: Records Custodian / Open Records Officer, Joliet Twp HSD 204

Under the Illinois Freedom of Information Act (5 ILCS 140), I request a copy of the following public record:

The District's current staff directory for all certificated/instructional and other school-based staff, limited to these fields:

1. Full name
2. Job title / position
3. School or work location
4. Official district-issued work email address

Please do NOT include personal contact information (personal email or phone), home addresses, dates of birth or ages, Social Security or employee ID numbers, salary, pension or benefits data, or any other personal information. If an existing report or directory export contains only the fields above (or a subset), that existing record is fine — I am not asking the District to create a new record.

Format: electronic, preferably CSV or Excel (a PDF of an existing directory is also acceptable), sent by email or made available for download.

Commercial purpose (5 ILCS 140/3.1): Hank Solutions Inc is a commercial company. The records will be used to provide educators'
work contact information (name, title, school and official work email) to Hank's business customers, including companies that serve educators, for outreach to those educators. I will sign a certified statement or use agreement if the District requires one.

Fees: If fees will exceed $25, please send an estimate before processing. I understand the law provides for a response within 21 business days (commercial-purpose requests: within 21 business days, respond with records, a time/fee estimate, denial, or burden notice (5 ILCS 140/3.1(a)); non-commercial: 5 business days, extendable 5 (140/3(d)-(e))).

If any portion is withheld, please release the remainder and cite the specific exemption for what is withheld.

Thank you for your help.

Hello,

My name is Nick Koz. I run Priced to Win, a small Illinois business that shares public bid results with cleaning and landscaping contractors.

Under the Illinois Freedom of Information Act (5 ILCS 140), I'm requesting electronic copies of the following records for any (a) custodial, janitorial or building cleaning, and (b) mowing, grounds or landscape maintenance bids, RFPs or quotes opened since January 1, 2024:

1. The bid tabulation or proposal summary (all bidders and their prices).
2. Each bidder's bid form or price page, including the company's business contact name, email and phone.
3. The award recommendation or notice of award, and the current contract or latest renewal/extension with its price.
4. The scope pages showing building square footage and cleaning frequency or staffing; for grounds, the sites or acreage and number of mowings.

If you haven't bid one of these services since 2024, the current contract and its latest renewal or extension would be great instead. Supply-only purchases (equipment, chemicals) and construction projects aren't needed.

Whatever is easiest for your office to pull is fine, and if something is already posted online, a link works just as well. I'm also happy to talk by phone at (802) 341-0957.

This request is made for a commercial purpose under Section 2(c-10) of the Act: Priced to Win publishes Illinois public bid results for facility service contractors.

Electronic copies by email are preferred. If any fees apply, please let me know before processing. If some records are exempt, please release the rest and note what was withheld.

Thank you for your help,

Nick Koz
