RUSHFORD-PETERSON PUBLIC SCHOOLS

2026–27 Adult Volunteer Roster

Working document tracking volunteers for school board approval and background checks

Purpose: Per the Activities Director's July 29, 2026, request to all head coaches, this document tracks the adult volunteers (assistant coaches, helpers, chaperones, etc.) reported for each program during the 2026–27 school year. It is intended to support HR's background check process and formal presentation of volunteer names to the School Board.

> *"We're being especially diligent on this... it's a reminder of why we have these procedures, and we owe it to our families to get this right every time."*

> **— Jeff Cole, Activities Director**
