Special Instructions

Each school district in Texas is required to review its class size enrollment to determine whether its class sizes for grades prekindergarten (PK) through four meet the requirements of TEC §25.112. If the review indicates that any class for grades PK-4 exceeds the allowable class size limit of 22 students per class (22:1), the district must submit a request for exception under TEC §25.112(d). Districts are to enter ONLY the total number of classes/sections and the reason(s) per campus that exceeds the 22:1. Class size limits do not apply to physical education or fine arts classes. The exception request must be submitted to TEA (Commissioner) not later than the later of October 1 or the 30th day after the first school day the district exceeds the limit. Class size limitations generally apply throughout the school year, with the following exceptions: (1) any twelve-week period selected by the district with a significant percentage of migratory children (25.112(1)); or (2) the last twelve weeks of any school year for all other districts. Note: Prekindergarten class size limits were added beginning with the 2021-2022 school year.
