After the conclusion of the meeting, Dr. Engle welcomed our newly selected Junior Board Student Advisors to their first Board Workshop. What makes this opportunity so meaningful is that we are creating a vision for this group together. Our students will help shape its purpose, write the narrative, and build something that reflects their voices and experiences. As they learn about district leadership and governance, we have the opportunity to listen, learn from their perspectives, and grow alongside them. I am proud of these students and look forward to seeing what we build together! The all-senior Junior Board Student Advisors are:

- Caymbria Cuello – Clear Creek High School
- Imani Remtulla – Clear Falls High School
- Aiden Sunny – Clear Horizons Early College High School
- Gavin Wydermyer – Clear Horizons Early College High School
