

Clara Brownell Middle School

November 2026

Fall MAPs Growth: Median percentiles Fall 2025-Fall 2026			
	Mathematics	Reading	Language Usage
7th grade	33rd (34th achievement)	48th (34th achievement)	50th (45th achievement)
8th grade	60th (47th achievement)	42nd (32nd achievement)	51st (40th achievement)

Fall baseline testing for CBMS shows some key areas for improvement, most notably in 7th-grade math. The great news is that we have Miss Roth teaching 7th-grade math once again, and her students from last year hit the 60th percentile for growth from fall 2025 to this fall and are nearly average for achievement. Growth numbers in language arts are close to average as well, and we'll look to extend those throughout the year. Our students are in very capable hands, and I expect to see those growth numbers where they should be this winter.

Students learned about the impacts of drugs and alcohol during our annual celebration of Red Ribbon Week, October 26-30. This year's theme was, Make a Difference, Be a Hero, Stay Drug Free. Students participated in fun, dress-up days and contests throughout the week, and they learned about the dangers of drugs and alcohol. Thank you to Officer Claustro and the Umatilla Police Department, who led our assembly at the end of the week.

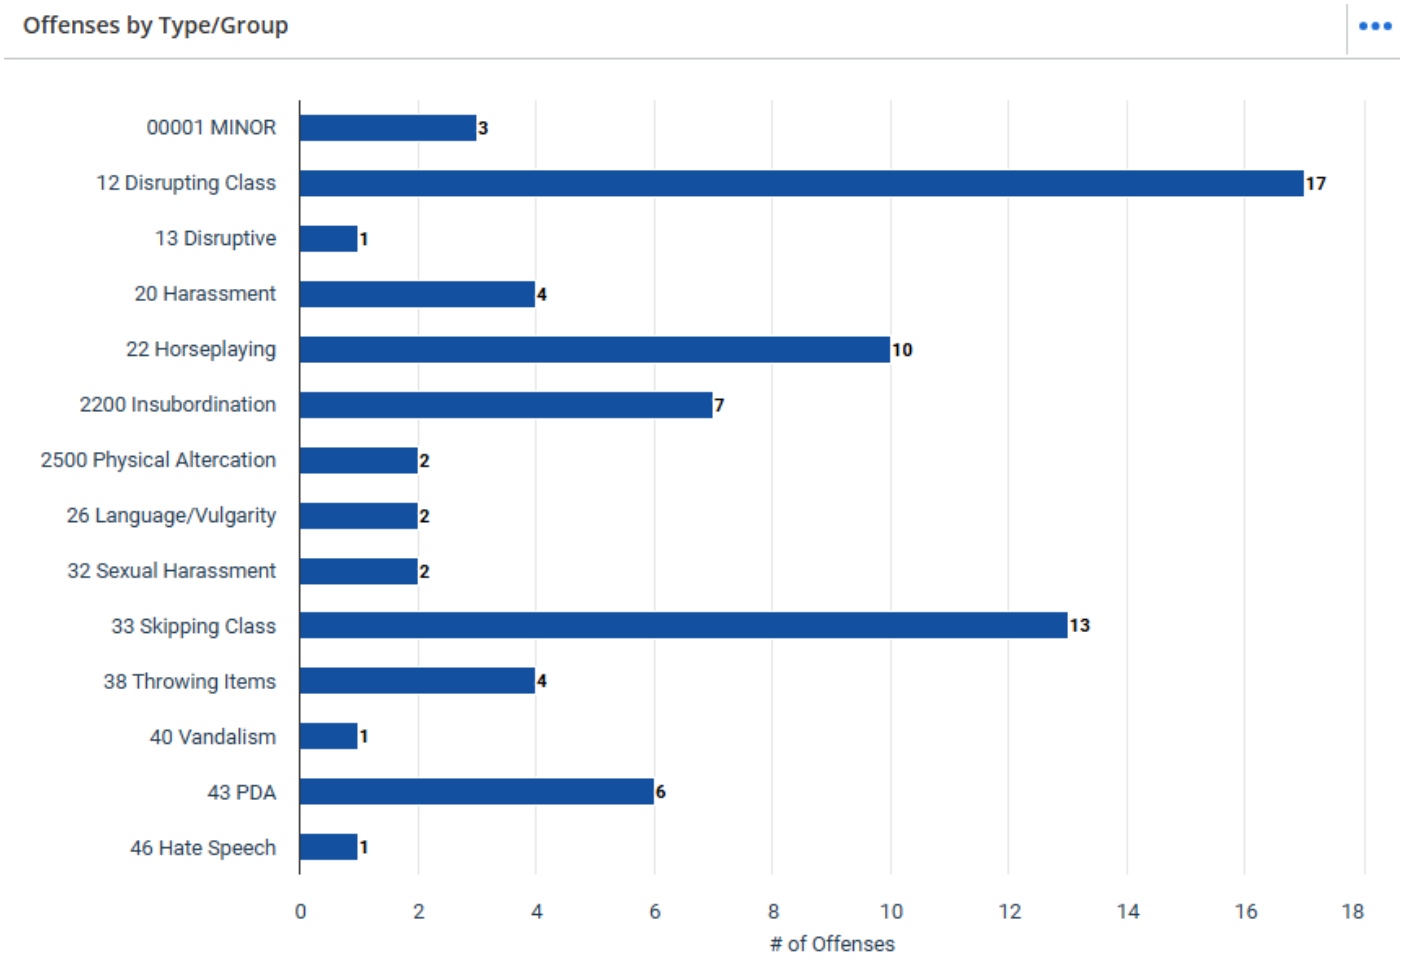

Upcoming events:
November 16: Umatilla Parent Club Meeting
November 16-20: Canned Food Drive
November 19: CBMS Thanksgiving Feast
November 20: Data Teams
November 25-27: Thanksgiving Break

Enrollment 2026-2027

	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May
7th	119	119	120						
8th	115	116	114						
Total	**234**	**235**	**234**						

Discipline

We had 73 referrals during the month of October, outlined in the table below:

Athletics

Boys basketball season is in full swing. Their first games of the season take place this week, including our home opener vs. Heppner on Tuesday, November 10.

For the most up-to-date information on athletics and activities, please check out our District page: https://www.umatilla.k12.or.us/o/athleticsandactivities
