Item Summary: School Board meeting minutes are the official written record of what occurred during a School Board meeting. They document key actions such as motions made, votes taken, decisions approved, and any required follow-up, without capturing discussion verbatim.

Minutes provide a clear and accurate record for transparency, accountability, and continuity. They serve as the legal record of the Board's actions, help ensure compliance with laws and policies, inform stakeholders who were not present, and offer a reliable reference for future decisions and audits.

The written minutes of all meetings shall be approved by vote of the Board and signed by the Board President and the Board Secretary.

Recommendation: It is recommended that the Board of Trustees approve the minutes from the October 20, 2026 Regular Monthly Board meeting, as presented.
