CHELSEA SCHOOL DISTRICT
Board of Education Report

Special Education Services

Nov 11, 2026

CURRENT HIGHLIGHTS:

- ☐ We are in the process of filling the open social worker position at the middle school. This vacancy was created by the resignation of Noelle Rager. We do have some strong candidates who have applied and plan to do interviews the week of November 30th with a goal of having someone on board vbefroe the winter break.
- ☐ We do still have two open paraprofessional positions to fill; one at North Creek and one at CHS.
- ☐ Michelle Hilla, Marie Larson and I have planned learning station rotations for the Young 5 classes for the Monday and Tuesday of Thanksgiving week to allow for the final push to make the move to the newly renovated spaces at North Creek.

LOOKING AHEAD:

- ☐ I am looking forward to serving the holiday meals at the Senior Center for Thanksgiving and Christmas! It is always such a fun time to connect with our senior community members!
- ☐ Marie Larson and I are trying something a little different this year to highlight the importance of mental health and wellness. We are partnering with the athletic department and hosting the wellness fair prior to a varsity basketball game. We will again feature many of our community partners at Hoops for Health on December 11th.

Respectfully Submitted,
Lisa Nickel
Director of Special Education
