# Fee Waiver Feedback

## 2025-26 School Year

- Highest fee waiver across the district = $2,678

- No students across the district hit the $3,500 threshold

## Policy 5230 - Student Fees, Fines and Charges

**New updates that are in policy review right now.

4. In setting fees, the Board shall establish a dollar amount cap on the total fees which will be waived for a student during the year. In authorizing and allocating funds for classes, programs, and activities that have associated fees, the Board shall take into account this dollar amount cap on individual student fee waivers.
