DISTRICT COMPLIANCE REPORT

E-RATE & CIPA COMPLIANCE REVIEW

Key items for district review and discussion regarding Internet Safety and Policy

01

Internet Filtering

We use Content Keeper to filter search results and web content for all computer users.

02

Internet Safety Policy

We use Content Keeper to keep users safe on the internet. We also have internet policy 4178.

03

Student Monitoring

We use Gaggle district wide and GoGuardian per teacher to monitor student usage.

04

Digital Citizenship & Cyberbullying

Required Digital Literacy course for all students in 8th or 9th grade.

"Strand 4: Students will develop the knowledge and skills to participate responsibly and safely in a digital society, manage their digital identity, and contribute to positive digital communities."

05

Policy Review & Updates

Cyber security team continuously reviews managed sites to ensure all requests meet educational and security safeguards.

Review Team Composition:

- Cyber Security Analyst
- Ed Tech Coordinator
- Building Administrator
