CENTRAL UNIT SCHOOL DISTRICT 301

Board of Education Goals | DRAFT

GOAL AREA	VISION	GOALS
Student Achievement/ Curriculum	Prepare students for success beyond high school.	• Expand instruction of real-world skills across grade levels. • Support every student in demonstrating academic growth and reaching their potential.
Programs/ Services	Create maximum opportunities for all students.	• Create and enhance partnerships that expand opportunities for students. • Encourage CTE paths and college-readiness. • Re-evaluate current programs and services to strengthen alignment and meet student needs.
Facilities	Ensure all students and staff have a safe, positive space for learning and working.	• Maintain district buildings to provide exceptional learning environments. • Utilize facility master plan data to enhance safety and security for all schools and guide long-range facility planning.
District Finances	Maintain fiscal responsibility as we continue to build upon quality educational offerings.	• Align the budget to district priorities and future needs. • Continue to evaluate cost-savings practices.
Community-District Relations	Foster greater trust and collaboration between the district and the community.	• Create opportunities for Community-Board of Education dialogue. • Enhance transparency in matters of district business. • Engage with all members of the community to inform district planning and improvement.

Together, We Are Central.
