CURRENT HIGHLIGHTS:

- Our current LTO, Wrap & Roll, is off to a great start! So far, some of the new recipes we have featured include Mini Potato & Cheese Pierogi with Cheese Sauce, Honey Mustard Ham Wrap, Buffalo Chicken Ranch Wrap, Hummus & Veggie Wrap, Hot Dog Wrap, and even a Pizza Wrap! We are even going to have fresh baked cinnamon ROLLs coming soon at breakfast!
- This fall, we again have two dietetic interns from U of M. They have been with us every Wednesday since the beginning of September. Today, 11/11, they conducted their "Theme Meal" portion of their experience here. They planned a menu, ordered the supplies, did all of the prep and served free samples at CHS. Their theme was "Vegan Day" and they featured Buffalo "Chicken" Sliders with meatless buffalo chicken nuggets, sweet potato fries, and a vegan broccoli slaw!
- Our Veteran's Day Breakfast was a huge success and we have already been asked back next

- We continue to average about 60% participation across the district!

LOOKING AHEAD:

- Next week we will be preparing north of 1200 servings of turkey for Thanksgiving meals across the district and at the Senior Center, all roasted and sliced in house!
- I am excited to get Nutrition: Game On! fully up and running as our staffing starts to stabilize!

Respectfully Submitted,
Chris Simpson
