Superintendent Board Report
November 2026

We are proud to share that all three district schools earned a **Commendable** rating on the official Illinois Report Card released on October 30, 2026. Maintaining this performance level for three consecutive years—even under ISBE's newly implemented accountability system—highlights the exceptional dedication and effort of our students, teachers, and staff. Thank you to our entire school community for your continued partnership in achieving this milestone.

BV celebrated a successful first quarter with its annual Monster Mash reward event. DJ Mike Treece provided the music and entertainment for the students, who earned the celebration by demonstrating positive behavior across school settings. Throughout the quarter, students received "Shout-outs" for consistently meeting academic and behavioral expectations.

We were honored to host the BV Veterans Day Assembly on November 10, 2026. The morning kicked off with a Veterans' breakfast at 8:30 AM, followed by a special program at 9:00 AM. This assembly is always a favorite community tradition, and we are deeply proud to celebrate and thank our local Veterans for their service.

Bluffview Elementary School recently hosted Senator Kevin Schmidt through the Principal for a Day program. The statewide initiative gives legislators an immersive, behind-the-scenes look at daily school operations and current educational priorities in their districts.

November is School Board Members Appreciation Month, and we want to take a moment to express our deepest gratitude to our dedicated Board of Education. These public servants volunteer countless hours behind the scenes to guide our district, advocate for our students, and support our educators. Thank you for your leadership, vision, and unwavering commitment to making our schools a great place to learn and grow.
