BOARD REPORT

TECHNOLOGY

November, 2026

Not much has changed from last month. I have updated our wireless network console with the latest firmware and this has really helped our wireless infrastructure.

I am Currently replacing new computers in the business classrooms.

I am finishing up items for the strategic plan.

We will be running maintenance on our Meraki Firewall.

We are adding new promethean boards as needed

I am working on more cyber security practices, Including email phishing exercises.

We are doing more things with 3D printing.

I am working on finishing up with the OKAW grant for CTE classes.

The E-Rate workshop is soon. I will be attending that.

I am going through all classrooms to make sure everything is working properly and updating where we can.

I am Fixing all day to day problems as needed.

I welcome any questions or comments from you. I can be reached at school at x2142, on the cell at 618-301-0487, or by email at laldridge@dupo196.org
