Athletic Director Report
November 10, 2026

We have closed all our fall seasons, and all winter seasons have begun. Our JH basketball and cheer teams are in full swing. The JH cheer team got to make their debut at the first boys home game last week and did a wonderful job leading the fans and cheering on our home team to a well-played game. Both the girls and boys teams have shown so much improvement from last year with some big wins and some very close games to tough teams.

HS girls are in week two of their season. We have a small team, but they are ready to work! They will kick off their season at our very own Cat Classic Tournament that starts Nov. 16th. Our girls will play on Tuesday, Nov. 17th at 7:30 pm against Roxana.

HS boys' basketball tryouts are under way. They started yesterday, Nov. 9 and had a pretty big turnout. They will work for two weeks, then open their season at the Christ Our Rock Lutheran Thanksgiving Tournament (Nov. 23, 27, and 28). Their season home opener will be on Wednesday, Dec. 9 against Grandview with JV starting at 5:30 pm. Additionally, there are enough freshmen that we will be able to play some freshmen only games. The freshmen boys currently have six games scheduled with their first game being Nov. 30, at home, vs Wesclin starting at 5:30 pm.

I would like to give a very big "Congratulations" to McCulloch Miller who qualified for the IHSA Sectional XC race back on Oct. 24. McCulloch raced in the Sectional on Oct. 31 finishing 90th out of 133 racers. Way to go McCulloch!

Last week, football and volleyball coaches in our conference met for the All-Cahokia Conference selection meetings. Congratulations to volleyball All Conference-Kaskaskia Division recipients Izzy Mushaney and Kaitlyn Roberts. Congratulations to football All Conference-Illinois Division recipients Jacob Duncan-Offense, Luke Ellis-Defense, and Carter Lumpkins-Defense.
