BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING

NOVEMBER 16, 2026

VOLUME LXIV

FOR ACTION

SUBJECT: Substitute Teacher Pay

Background and Findings:

Currently, Belding Area Schools pays $125 per day for a regular substitute teacher and $150 per day for a long-term substitute teacher. Substitute teachers are in short supply, and we want to ensure we are a top choice for those within driving distance. Mr. Noskey and Mr. Martin have provided the Board members with data on the pay rates for area districts. Belding Area Schools would like to propose an increase in the district's substitute teacher pay.

Recommendation:

It is recommended that the Board approve an increase in the substitute teacher pay rate.
