Dear Members of the School Board and Superintendent Cook;

After 27 years of dedicated service to our school district, I am writing to formally announce my retirement, effective June 30, 2027.

It is difficult to put into words what these 27 years have meant to me. Serving our students, families, staff, and community has been one of the greatest privileges of my professional life. Over the years, I have had the opportunity to witness countless students learn, grow, overcome challenges, and achieve their goals. Those experiences will remain among the most meaningful memories of my career.

I am deeply grateful to the many colleagues, administrators, school board members, parents, and community members who have supported me throughout the years. I have been fortunate to work alongside people who care deeply about our students and who are committed to making our schools the best they can be.

As I look back on my career, I do so with tremendous pride and gratitude. While I am excited to begin this next chapter of my life, I will certainly miss the daily interactions, relationships, and sense of purpose that come with being part of our school community.

Thank you for the trust, support, encouragement, and opportunities you have given me throughout my 27 years of service. It has been an honor to contribute to the education and future of our students, and I will always be grateful to have been a part of this district.

I wish the school board, administration, staff, students, and families continued success in the years ahead. Although my role will be changing, my appreciation for this school community will remain.

With sincere gratitude and warmest regards,

Kristi Plante
