November 17, 2026_ Technology Committee Report

Mansfield ISD Board of Trustees

Report Synopsis

The technology committee has discussed next steps in its strategic plan and has completed a district wide digital readiness campaign in October.

Item 1. Strategic Plan Review

At its September meeting the technology committee reviewed the strategic plan to determine where progress had been made and what next steps were necessary to fully accomplish outstanding goals. The committee also reviewed the digital readiness tools available to students and staff and described its October digital readiness challenge across the district for departments to compete by learning more about digital readiness.

Recommended Governance Actions

None at this time. Thank you to those who participated in the digital readiness campaign.
