Dear Dr. Lilie:

On behalf of the Texas Association of School Boards, thank you for your board's membership and your dedication to strong local governance and excellent student outcomes.

After 12 years at the Capitol, I am excited to now be part of this great organization as we help Texas children achieve the American dream. For more than 75 years, TASB has stood beside Texas school boards with trusted resources, high-quality training, and a strong voice for public education. This is what we call the TASB Advantage.

In January, we unveiled our new strategic plan, TASBnext. This plan builds on our deep commitment to promoting educational excellence and supporting Texas school boards and their communities, while driving us forward to strengthen the many ways we support our members and the students and families they serve.

In the past year, TASB has continued to deliver value in a variety of ways — helping members make sense of change, access practical tools, and stay focused on what matters most in their local communities. We are also pleased to offer new resources to support your work, like the Local Legislative Priorities Tool, helping school leaders share and collaborate on advocacy priorities, and A Toolkit to Champion Public Education, providing ideas on how to share your district's story and build stronger community support.

We're pleased to share your **2027 TASB membership renewal packet**. Being a TASB member offers many exclusive benefits designed to help districts save taxpayer money and keep resources in the classroom where they belong. TASB members also enjoy the advantages of being part of a nonprofit, nonpartisan, member-led organization.

Enclosed in your renewal packet, you'll find:

- 2027 TASB Active Member invoice
- 2027 Legal Assistance Fund invoice
- TASB Membership Snapshot, providing details about your district's services during 2025-26
- TASB Advantage: A Statement of Active Member Benefits, which outlines the many services and resources available to your board and district

Also included is an information packet for your board president to review and share with your board.

If you have questions or need additional information, please call us at 800-580-8272. It is an honor and a privilege to serve those who serve the schoolchildren of Texas. We thank you for your board's continued membership in TASB and look forward to serving you in 2027.

Sincerely,

Gary VanDeaver
Executive Director
