2027-28 School Calendar

Making calendar decisions is one critical element of designing for student success

Calendar Process

As an Independent School District, we have the responsibility to annually draft school calendars.

The calendar is one of our most important instructional tools.

Our calendar review process includes collaboration across employee groups while also incorporating feedback from parents.

Timeline for Approval

First Reading: November 12, 2026

Second Reading: December 3, 2026
